Enrolling in My SHIP

Am I eligible for student health insurance?

- All domestic undergraduate students registered with 9 credits or more, including programs at the DeMello International Center required to waive or enroll in the insurance. This includes students studying at Bunker Hill Community College, Middlesex Community College or Urban College of Boston.
- Any on-campus graduate students registered for 6 credits or more, including programs at the DeMello International Center are required to waive or enroll in the insurance.
- Students who participate in the DeMello International Center are subject to the insurance requirement if they meet the eligibility requirements for undergraduate or graduate students.
- All on-campus international students are required to enroll in the Student Health Insurance Plan with the exception of: international students whose sponsoring institution has a signed agreement with Lesley University that complies with the University's waiver requirements or international students whose insurance company's primary home office is based in the U.S. and meets the University's waiver requirements.
- Students enrolled in an online program in Massachusetts (regardless of your state of residency), in a program that's delivered at an off-campus location, or in a program delivered in a low-residency format, and are not eligible to participate in the Student Health Insurance Plan.
- Part-time students – less than 9 credit hours for undergraduate students or 6 credit hours for graduate students are not eligible.

How do I enroll or waive?

1. Go to www.gallagherstudent.com/Lesley
2. Login under “Profile.”
3. Click on the “Enroll” button under “Plan Summary.”
4. Complete and submit the form by following the instructions.
5. Enrollment confirmation email will be sent.

How do I enroll my dependents?

This plan does not offer coverage for your dependents.

Am I eligible to waive?

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements.

Waiver requirements include being enrolled in a health insurance plan that is fully compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO, your coverage will likely be limited — or unavailable — outside of your HMO's service area and will not meet your school's waiver requirements. If a claim is submitted before you have an approved waiver, you must stay enrolled in the plan.

How do I waive health insurance coverage?

1. Go to www.gallagherstudent.com/Lesley
2. Follow the login instructions.
3. Click on the “Waive” button under “Plan Summary.”
4. You will need your health insurance information.
5. Follow the instructions to complete the form.
6. A reference number will be emailed upon submission; however, final determination may take 24–48 hours.

Note: Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.

Will you audit or verify my waiver request?

No, we will not verify the information provided on your waiver. It is your responsibility to review the SHIP material to be sure your health insurance plan meets your school's waiver requirements. However, if you are covered by an out-of-state Medicaid plan, your request to waive may be denied as this plan will only cover you for emergency situations outside of the plan's service area. If you elect to waive, you will be responsible for any medical expenses you incur.

Can I cancel my waiver form after I've submitted it?

Yes, but only if it's before your waiver/enrollment deadline of August 1, 2023.

1. Go to www.gallagherstudent.com/Lesley
2. Follow the login instructions.
3. Navigate to "Account Details."
4. Click "Click Here to Rescind Your Waiver."
5. Click "Rescind My Waiver."

Note: Once waiver is rescinded, this action cannot be reversed. You may not edit your form after August 1, 2023.

If I waive, but then lose my coverage, can I enroll in SHIP or enroll my dependents if they lose coverage?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.

You can only add eligible dependent(s) outside of the enrollment period if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

To initiate the Qualifying Life Event process:

1. Go to www.gallagherstudent.com/Lesley
2. Follow the login instructions.
3. Click on "Enroll-Qualifying Life Event."
4. Complete the online form and upload the required supporting document, such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

Note: Read the form carefully as it contains very specific information on the Qualifying Life Event process.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you are enrolled in annual coverage, you may only request coverage termination — and a pro-rated premium refund/credit — in the following situations:

- You are entering the armed forces.
- You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.
- You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children's Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).

If you meet any of the criteria outlined above you may submit a request terminate coverage. Requests need to be submitted to Gallagher Student Health & Special Risk **no later than the last day of fall coverage (December 31, 2023)**.

To Terminate Coverage –

1. Go to www.gallagherstudent.com/Lesley.
2. Follow the login Instructions.
3. Navigate to "Account Details" under "Plan Summary," click the "Terminate Coverage" link.
4. Complete the termination form, choosing your appropriate termination reason.
5. Some selections, like "alternate coverage," will prompt you to provide alternate insurance information.
6. Submit the form.

Note: If there are any claims submitted and paid by the carrier the plan may not be terminated.

About My Benefits

What do my benefits include?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and X-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other injury.

It covers preventive care services at no cost when you use in-network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

It pays for 80% of your medical fees when you use in-network providers. This is the advantage to using in-network providers. When you use out-of-network providers the coinsurance is less, which means your potential out-of-pocket costs are more. You will also be responsible for paying any deductibles and applicable office visit and prescription drug copayments.

- It has a \$250 per Insured, per policy year deductible combined for In-Network and Out-of-Network services.
- Preventive care services, in compliance with the Affordable Care Act, are covered at no cost share to a BCBS participating doctor.
- Other office visits are paid at 80% coinsurance, after deductible.
- Prescription drugs are covered for a 30-day supply after a:
 - \$10 copay for a generic/tier-1 drug.
 - \$25 copay for a preferred brand name/tier-2 drug.
 - \$45 copay for a non-preferred brand name/tier-3 drug.

Note: In some cases, prescription drugs may have a supply or quantity limit or require your doctor to get a prior authorization before you can pick-up your prescription. You can see review your plan's pharmacy list or formulary by visiting your school's page at www.gallagherstudent.com/Lesley.

How can I get more information about my plan?

Go to www.gallagherstudent.com/Lesley.

How much does my student health insurance cost?

See chart below:

	Annual Coverage Period (08/15/2023-08/14/2024)	Spring/Summer Coverage Period (01/01/2024-08/14/2024)
Enrollment/Waiver Deadline	August 1, 2023	December 15, 2023
Undergraduate Students	\$3,625.00	\$2,115.00
Graduate Students	\$ 7,533.00	\$4,394.00

Have changes been made to this year's plan?

No changes were made to the plan for the 2023–2024 Policy Year.

Am I still covered if I live off campus? While traveling? When studying abroad?

Yes, your plan covers you wherever you are. If you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24-hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging emergency medical evacuation or repatriation of remains. It's important to contact GeoBlue **before** making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
