

2022–2023 Student Health Insurance Plan for Xavier University of Louisiana

Who is eligible to enroll?

All undergraduate students are automatically enrolled in this plan on a hard waiver basis. All graduate students may participate on a voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children or grandchildren who meet the limits of a Dependent set forth in the Dependent definition.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

How do I waive?

Students who are currently enrolled in a health insurance plan that provides comparable coverage to the Student Injury and Sickness Insurance Plan and is in effect until August 16, 2023 can elect to waive the Xavier University of Louisiana Student Injury and Sickness Insurance Plan.

Recognizing that health insurance coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage to Xavier University of Louisiana in order to waive coverage.

International students can only waive the Student Injury and Sickness Plan if they are covered by an insurance plan of comparable coverage, meet the J1 visa requirements and is based in the United States.

Waiver Process

To document proof of comparable coverage an online waiver form must be completed and submitted by the deadline.

1. Go to www.gallagherstudent.com/XULA
2. Click on the "Student Waive/Enroll" button.

3. First Time Users will need to create a unique User Account. Returning students can log in with their existing User Account information.
4. Once an account has been created, select the Red "I Want to Waive" button. When waiving the insurance, have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

Upon completing the Online Waiver Form you will be asked to review your information and click "Continue". Immediately upon submitting the Online Form you will receive a confirmation number that the Online Form has been submitted. Print this confirmation number for your records. If you do not receive a confirmation number, you will need to correct any errors and resubmit the form. The online process is the only accepted process for waiving the Xavier University of Louisiana Student Injury and Sickness Insurance Plan.

Xavier University of Louisiana reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage the student will be automatically enrolled in the Xavier University of Louisiana Student Injury and Sickness Insurance Plan.

In the event that a student waives the Xavier University of Louisiana Student Injury and Sickness Insurance Plan and then loses their current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), students have the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

Waiver Deadline

The deadline for processing the online waiver is August 26, 2022 for students enrolling in the fall for Annual Coverage, and January 21, 2023 for students who are newly enrolled for the spring term. Students who do not submit the online Waiver Form by the deadline will be automatically enrolled in the Student Injury and Sickness Insurance Plan and the fee will appear on their student account bill.

Dependent Eligibility and Enrollment

Insured students can enroll their eligible Dependents. Eligible Dependents are the student's legal spouse and dependent children or grandchildren who meet the limits of a Dependent set forth in the Dependent definition. Dependent eligibility expires concurrently with that of the Insured Student. Students can submit an online Dependent enrollment form through www.gallagherstudent.com/xula by the deadline. Insured Students can also add eligible Dependents within 31 days after the Insured Student acquires a new Dependent, i.e., by birth, adoption or marriage. In the event a Dependent enrollment form is received after these dates, payments will not be pro-rated. If this deadline is not met, the effective date of coverage will be the date the online Dependent enrollment form is submitted or the correct payment and Dependent enrollment form are received by the Company (or its authorized representative), whichever is later.

It is the student's responsibility to ensure the timely enrollment of eligible Dependents each policy year. Dependents are not automatically re-enrolled.

In the event of the birth of a child to a covered student while the student's Plan is in force, that child will automatically become a Covered Person from the moment of birth. Payment for the child's coverage must be remitted within that 31-day period, or the coverage will terminate for that child at the end of the 31-day period. The applicable costs will not be prorated.

Where can I get more information about the benefits available?
