

## Dental Savings

This is a discount program— not insurance— that will help make dental care more affordable. Students save **10% to 50%** on dental care expenses at any UNI-CARE dental provider nationwide. A sample of the dental services student can save on include:

- Exams
- Routine cleanings
- X-rays
- Root canals
- Orthodontics (braces)
- Cosmetic dentistry
- Extractions
- Fillings
- Oral surgery
- Periodontics (gums)
- Crowns

### To Get Your Savings:

1. To find a participating provider, go to [findbestbenefits.com/student](https://findbestbenefits.com/student), choose Dental and enter your Zip Code or call customer service at 1.800.252.3059.
2. When making an appointment with your provider, let them know your network is UNI-CARE.\*
3. Download your membership card and present it to your provider prior to treatment to ensure the proper discount is applied.
4. Payment is due at the time of service.
5. If you or the provider have any questions, contact Customer Service at 1.800.252.3059.

*\*Provider status can change. We recommend that you confirm provider participation when scheduling your appointment.*
