Insurance Plan Benefits

What benefits does your SHIP provide?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a variety of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations, and most immunizations.

It pays for 90% of your medical fees when you use In-Network providers. This is the advantage to using in-network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. There may be copayments and deductibles you'll be responsible for paying.

- It has a \$250 per Insured, per policy year deductible for In-Network medical services.
- It has a \$500 per Insured, per policy year deductible for Out-of-Network medical services.
- For prescription drugs from participating pharmacies, you will pay:
 - a \$15 copay for a 31-day supply of a generic drug
 - a \$50 copay for a 31-day supply of a preferred brand name drug,
 - a \$75 copay for a 31-day supply of a non-preferred brand name drug.
- Note: in some cases, your doctor must get permission from the insurance company before prescribing a drug. You can see which drugs require preapproval by visiting your school's page at www.gallagherstudent.com/vanderbilt.

What changes have been made to the Plan for the 2020-2021 Policy Year?

- Outpatient Physician Visits to Preferred Providers (VUMC) and In-Network Providers (UHC's Option PPO) will be paid at 100% after a \$25 office visit copayment.
- HIV PrEP (Truvada) will be covered under the Preventive Care Services benefit subject to pharmacy benefit coverage policies and guidelines.
- A 90-day supply of an applicable prescription can be filled at a retail pharmacy, subject to a 3 month copay.

Does your plan include dental and/or vision benefits?

If you're 18 or younger, you can get preventive dental and vision benefits with this plan. For details, refer to your SHIP brochure or certificate.

More information about your dental and vision options

To enroll in a voluntary dental plan or vision plan (additional cost), go to www.gallagherstudent.com/vanderbilt and 'Additional Products Available' under Plan Details. The types of plans and availability of plans vary by state. The voluntary vision plan is not available in the following states: MA, MD, MT, NM, NY, RI, WA, PA (certain counties).

How much does the SHIP cost?

	Annual (08/12/2020 - 08/11/2021)	Spring/Summer (01/01/2021 - 08/11/2021)	May Mester (05/01/2021 - 08/11/2021)	Summer (06/01/2021 - 08/11/2021)
Enrollment/Waiver Deadline	August 11, 2020	February 1, 2021	June 1, 2021	July 1, 2021
Student	\$3,673.00	\$2,254.00	\$1,029.00	\$719.00

2 or more Children	\$7,296.00	\$4,458.00	\$2,058.00	\$1,438.00
Spouse & 2 or more Children	\$10,944.00	\$6,687.00	\$3,087.00	\$2,157.00

Do I need a referral from my school's Health Services to see an off-campus health provider?

Yes, you need a referral before you see an off-campus provider. Without one, your health benefits could be denied or reduced. To see how referrals work, check out your SHIP brochure.

Am I still covered if I live off campus or I'm traveling or studying abroad?

Yes, your plan covers you wherever you are - during semester breaks and summer vacation. This is true even if you're traveling or studying abroad. As long as you're enrolled in SHIP and you paid your premiums, you'll be covered.

More information about off-campus, travel and study abroad

In addition to being covered for medical treatment and services, your plan also offers 24-hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact UHC Global to make the arrangements for you, so contact them before making arrangements on your own. If you don't contact them first, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an Out-of-Network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address, and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Does my plan still cover me after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled and have paid your premium. If you enrolled and paid for annual coverage and graduate in the spring, you will be covered until the end of the policy year.

Eligibility, Enrollment & Waiving

Am I eligible for student health insurance?

All undergraduate and graduate international students attending Vanderbilt University are automatically enrolled in and billed for the Student Health Insurance Plan in order to maintain compliance with Federal Regulations relating to J-1 Visa Status that require international students and their dependents residing in the U.S. to maintain adequate insurance coverage.

Students must actively attend classes for at least the first 31 days after the effective date of the period for which coverage is purchased. Home study and correspondence courses do not fulfill this requirement. Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence, and online courses do not fulfill this requirement.

Can I enroll my eligible dependents?

Yes, you can enroll your eligible dependent(s) by going to www.gallagherstudent.com/vanderbilt. Log in to your account and click 'ENROLL'. Note: You must purchase dependent insurance for the same time period as your own coverage. It can't be for a longer or shorter period than your own. For example, if you enroll for annual coverage, you can't limit your dependent's insurance to only the spring semester unless a qualifying event occurs.

Qualifying events for enrolling your dependents

You can add eligible dependent(s) if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

In such cases, you must submit a Dependent Petition to Add Form, supporting documentation, and payment to Gallagher Student Health & Special Risk within 31 days of the event. If approved, your coverage will start on the date of the qualifying event. Requests received after 31 days will not be processed.

Note: Your premium is prorated. Once your dependent is enrolled, you can't terminate coverage unless you lose your Student Health Insurance eligibility.

What is Vanderbilt's Student Health Insurance Waiver Policy?

Given that students may be studying remotely due to COVID-19, the waiver process has been amended for the 2020-2021 academic year. International Students studying in the United States outside of Tennessee who waive SHIP must be covered by a plan that provides comparable coverage in the location where they will be studying.

What should I know before waiving coverage?

Before waiving coverage, review your current policy and then consider these questions:

- Does your plan comply with the Affordable Care Act and all state and federal mandates? (Refer to "What do you mean by 'comparable coverage'?"")
- Will your current plan cover medical care beyond emergency services, i.e. doctor's office visits, diagnostic testing, x-rays, prescription drugs, surgery, maternity services, preventive services, mental health and hospitalization?
 - Specifically, your plan must cover you for these services wherever you will be studying – on or off-campus, out-of-state or out-of-the-country.
- Is the annual cost of your SHIP less expensive than the cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

More information about waiving coverage

International Students

It has been Vanderbilt's policy for all international students to be enrolled in the Student Health

Insurance Plan on a mandatory basis. However, to accommodate those students who will be studying remotely as a result of COVID-19, students will be able to submit a waiver form.

International Students Studying Outside of the United States

International students studying outside of the United States in Fall 2020 will be able to complete a waiver form to waive the Student Health Insurance Plan without evidence of comparable health insurance coverage.

International students studying remotely in the United States outside of Tennessee

International students studying remotely in the United States outside of Tennessee may request to waive the Student Health Insurance Plan. In order to waive, your private health insurance must provide comparable coverage and be fully compliant with the Affordable Care Act and all state and federal mandates. The insurance company must be based in the United States. **International policies will not be accepted.** Your plan must cover you for both emergency and routine care in the region you currently reside, including prescriptions, physician visits, mental health, surgery, diagnostic testing, maternity services, preventive services, and hospitalization. Please be aware that you will receive a denial, and then be required to submit an Appeals Form at <https://bit.ly/AppealsForm> with evidence of comparable health insurance coverage.

International Students Studying in Tennessee

International students studying in the state of Tennessee in Fall 2020 – regardless of whether you are attending in-person classes on campus or studying remotely – will not be allowed to waive the Student Health Insurance Plan.

What do you mean by “comparable coverage”?

If your current plan is an HMO, your coverage will likely be limited—or not available—outside of your HMO’s service area. As a result, it probably won’t be considered a “comparable” plan.

Confused about waiving your SHIP coverage? Before deciding what to do, compare your current health insurance plan to your SHIP coverage. Consider your possible out-of-pocket costs – deductibles, copays, coinsurance and out-of-pocket maximums. You may find your current plan’s out-of-pocket costs to be higher than what you’ll pay for SHIP. Moving to SHIP may be financially beneficial.

Non-comparable health plans include:

- Those that only provide emergency services
- International plans, includes plans that are not filed in the US (unless you’re in international student studying outside of the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans (if you are studying in TN)
- Plans from insurance companies not located within the United States
- Prescription discount plans

If you decide to opt out of the SHIP, you must be insured by a plan that provides unlimited benefits with no

maximums and no pre-existing condition limitations, for example. This means it must comply with the ACA and meet or exceed the benefits provided through the SHIP. Your plan must have participating providers and cover a range of services in and around the geographic area where you will be studying. Services should include, but aren't limited to:

- Preventive and non-urgent care (this includes most immunizations)
- Prescription drugs
- Emergency care
- Mental health and substance abuse treatment
- Surgical care
- Inpatient and outpatient hospitalization
- Lab work
- Physical therapy
- Chiropractic care
- Diagnostic x-rays

For more information about the ACA, visit: <https://www.hhs.gov/healthcare/about-the-aca/index.html>

Will you audit or verify my waiver request?

We will audit or verify your request. This is to make sure your insurance plan will cover you wherever you are studying.

If I waive, but then lose coverage, can I enroll in SHIP?

If you waive and then lose coverage under that plan (called a qualifying event), you may submit a Petition to Add request. The form can be found at www.gallagerstudent.com/vanderbilt. Make sure you read the form carefully as it contains very specific information on the Petition to Add process. Qualifying events include:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce
- Involuntary loss of coverage from another health insurance plan

How does the ACA affect my SHIP?

Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

Once I'm enrolled in the SHIP, can I cancel it? Can I get a refund?

In some cases, you can cancel your SHIP and receive a refund.

If you are an international student who is withdrawing or graduating from your school and returning to your home country, you may qualify for a refund of premium.

- The request must be made within 31 days of the departure date and documentation must be provided proving the student's departure.
- Please contact the On-Campus Student Insurance Representative, located at the Vanderbilt University Student Health Center (Zerfoss Building) for details.
- Insured students who also have coverage for eligible dependents may request a refund of premium for their covered dependents, only if their coverage was purchased on an annual basis. Students who are paying for dependent coverage on a payment plan basis are not eligible for a refund of dependent premium

Once you're enrolled in SHIP, you will remain enrolled in it for that coverage period. You have no option to terminate it unless you enter the armed forces. In that case, we will refund a pro-rated share of your premium.

Plan Enhancements

How to enhance your Student Health Insurance Plan

You can enhance your SHIP by accessing several products available exclusively from Gallagher Student Health & Special Risk. They include:

- Basix Dental Savings Program—provides an exclusive discount arrangement, which can save you 20% to 50% off the cost of dental care.
- EyeMed Vision Care Program—allows you to receive discounted services at participating EyeMed providers.
- SilverCloud—Gallagher Student Health now gives you access to SilverCloud, an online behavioral health platform that provides behavioral health care and support for enrolled students. The platform delivers clinically proven, evidenced-based content, programs, and support for depression, anxiety, stress, resilience and sleep issues.
