Q Where can I learn about the Student Health Insurance Plan (SHIP)?

A Go to www.gallagherstudent.com/wheatonma

Q How do I log in?

- A
1. Go to www.gallagherstudent.com/wheatonma.
 2. Under “Profile”, enter your email address and click LOG IN
 3. **First Time Users:** An email from Gallagher Student Health will be sent to your student email with a temporary password. Enrolling in my SHIP

Q Am I eligible for student health insurance?

- A All full-time students at Wheaton College are automatically enrolled in the Student Health Insurance Plan unless proof that your current health insurance plan meets the College’s wavier requirements is submitted by the deadline. Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence and online courses do not fulfill this requirement

Wheaton College allows eligible students who are on an approved Medical Leave of Absence to elect to continue enrollment in the SHIP. Students must have been actively enrolled at the College for at least one semester and have been enrolled in the SHIP for this same period of time prior to the Leave of Absence request. Students are eligible to remain enrolled in the SHIP under this Medical Leave of Absence provision for a maximum of two consecutive future semesters. Payment must be received by Wheaton College prior to enrollment.

Q How do I enroll?

- A
1. Go to www.gallagherstudent.com/wheatonma.
 2. Follow the login Instructions.
 3. Click the “Enroll” button under “Plan Summary”.
 4. Follow the instructions to complete and submit the Enrollment form.

Q How do I enroll my dependents?

- A
1. Go to www.gallagherstudent.com/wheatonma.
 2. Follow the login Instructions.

3. Click “Enroll”.
4. Follow the instructions to complete the form to enter and enroll your “Dependent Spouse/Partner” and/or “Dependent Children”.

You must purchase dependent insurance for the same coverage period as your own coverage; it can’t be for a longer or shorter period than your own. For example, if you enroll for annual coverage, your dependents would need to be enrolled for annual coverage. If you enroll for annual coverage and do not enroll your dependents at that time, you cannot enroll your dependents unless a qualifying event occurs.

NOTE: If enrolling a dependent for the first time in SHIP, documentation needs to be uploaded at the time of submission. For example a marriage certificate for Dependent Spouse or Birth Certificate for Dependent Child.

Q Can I enroll my dependents outside of the open enrollment period?

- A You can add eligible dependent(s) if one of these qualifying events occurs:
- You get married
 - You have a child
 - You get divorced
 - Your dependent enters the country for the first time
 - Your dependent loses coverage under another insurance plan

In such cases, you must submit a Dependent Petition to Add form with supporting documentation and payment to Gallagher Student Health & Special Risk within 60 days of the qualifying event. The form can be found on your school’s page at www.gallagerstudent.com. If approved, coverage for your dependents will start on the date of the qualifying event. Your premium will be pro-rated. Requests received after 60 days will not be processed.

Note: Once your dependent is enrolled, you can’t terminate dependent coverage unless you lose your Student Health Insurance eligibility.

Q Once enrolled, can I cancel? Get a refund?

- A Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you’re enrolled in annual coverage, you may only request coverage termination (and a pro-rated premium refund/credit) in the following situations:
1. You’re entering the armed forces.
 2. You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.

3. You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children's Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester). Your request to terminate coverage needs to be submitted to Gallagher Student Health & Special Risk no later than the last day of fall coverage.

Waiving the SHIP Coverage

Q Am I eligible to waive?

A To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements. Waiver requirements include being enrolled in a health insurance plan that is fully-compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and to have coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO, your coverage will likely be limited—or not available—outside of your HMO's service area and will not meet your school's waiver requirements.

Q What should I know before waiving?

A Before waiving coverage, review your current policy and then consider these questions:

- Is your plan fully-compliant with the ACA? This means services should include, but aren't limited to:
 - Preventive and non-urgent care (this includes most immunizations)
 - Prescription drugs
 - Emergency care
 - Mental health and substance abuse treatment
 - Surgical care
 - Inpatient and outpatient hospitalization
 - Lab work
 - Diagnostic x-rays
 - Physical therapy and Chiropractic Care
 - Immediate coverage for pre-existing conditions
 - No annual maximum benefits
- Does your plan's provider network have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?

- Is the annual cost of your SHIP less expensive than the deductible of your private plan? The cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

If you don't complete a waiver form by the published deadline, you will be automatically enrolled in and billed for your SHIP.

If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

- For more information about the ACA, visit: <https://www.hhs.gov/healthcare/about-the-aca/index.htm>

Q What is comparable coverage?

A Comparable coverage means your health insurance plan needs to meet your school's waiver requirements, which may include being fully-compliant with all provisions of the ACA. See "What should I know before Waiving?"

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans
- Out-of-State HMOs or EPOs
- Plans from insurance companies not located within the United States
- Prescription discount plans

Q How do I waive health insurance coverage?

- A
1. Go to www.gallagherstudent.com/wheatonma
 2. Follow the login Instructions.
 3. Click "Waive"
 4. Follow the instructions to complete the form.
 5. A reference number will be emailed upon submission, however final determination may take 24-48 hours.

Q Will you audit or verify my waiver request?

A No, we will not fully verify the information provided on your waiver. It is your responsibility to review the SHIP material to be sure your health insurance plan meets your school's waiver requirements. However, if you're covered by an out-of-state Medicaid plan, your request to waive may be denied as this plan will only cover you for emergency situations outside of the plan's service area. If you elect to waive, you will be responsible for any medical expenses you incur.

Q Can I edit my form after I've submitted it?

A Yes, if it's before your waiver/enrollment deadline of September 6, 2021.

1. Go to www.gallagherstudent.com/wheatonma.
2. Follow the login Instructions.
3. Navigate to "Account Details".
4. Click "Edit Waiver".
5. Select the form you want to edit.
6. Update the form as needed.
7. Click "Update & Submit".

Q Can I rescind my form after I've submitted it?

A Yes, only if it's before your waiver/enrollment deadline of September 6, 2021.

1. Go to www.gallagherstudent.com/wheatonma.
2. Follow the login Instructions.
3. Navigate to "Account Details".
4. Click "[Click here to rescind your waiver](#)".
5. Click "Rescind My Waiver".

NOTE: Once waiver is rescinded, this action cannot be reversed.

Q If I waive, but then lose my coverage, can I enroll in SHIP?

A If you waive SHIP and then lose coverage under that plan, you need to go to www.gallagherstudent.com/wheatonma. Login, click on "Enroll-Qualifying Life Event", complete the online form, and upload the required supporting document such as birth certificate for a newborn, marriage certificate, or loss of coverage letter from your prior health insurance company showing the last day of coverage. Make sure you read the form carefully as it contains very specific information on the Qualifying Life Event process. Qualifying events include:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce

- Involuntary loss of coverage from another health insurance plan

If your enrollment in SHIP is on a voluntary basis, there is no option for the Qualifying Life Event process if you lose coverage with your current health insurance plan.

Q May I use one of my state's health insurance plans to waive my SHIP?

- A. If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you'll have In-Network providers near your campus.

Are you an international student? You typically aren't eligible to purchase a subsidized marketplace plan or a state's Medicaid plan may jeopardize your visa status.

About My Benefits

Q What do my benefits include?

- A. Your SHIP is fully compliant with the ACA and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other Injury.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

It pays for 90% of your medical fees when you use In-Network providers. This is the advantage to using in-network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. You will also be responsible for paying any deductibles and applicable office visit and prescription drug copayments.

- It has a \$150 per Insured, per policy year deductible for In-Network and Out-of-Network services combined.
- It has a \$25 copayment for office visits
- Prescription drugs are covered for a 30-day supply after a:
 - \$15 copay for a Tier-1 drug
 - \$30 copay for a Tier-2 drug

- \$50 copay for a Tier-3 drug
- \$75 copay for a Tier 4 drug

Note: in some cases, prescription drugs may have a supply or quantity limit or require your doctor to get a Prior Authorization before you can pick-up your prescription. You can see review your plans' pharmacy list or formulary by visiting your school's page at www.gallagherstudent.com/wheatonma.

Q How can I get more information about my plan?

A Go to: www.gallagherstudent.com/wheatonma.

Q Do I need a referral from my school's Health Services to see an off-campus doctor?

No, you don't need a referral. However, seeking care or advice first from Norton Medical Center is a good idea, since they can connect you with valuable on-campus services or refer you to providers they know off-campus. For more information, visit your school's Health Services website <http://wheatoncollege.edu/health/>

Q How much does my student health insurance cost?

A See chart below

	Annual Coverage (08/06/2021-08/05/2022)	Spring/Summer (01/15/2022-08/05/2022)
Enrollment/Waiver Deadline	09/06/2021	01/20/2022
Student	\$2,875	\$1,659
One Dependent	\$4,945	\$2,867
All Dependents	\$9,020	\$5,184

Q Have changes been made to this year's plan?

A Here are the changes made for the 2021-2022 Year:

- The coinsurance for In Network providers has changed from 100% to 90% coinsurance (student is responsible for 10%) and the coinsurance for Out-of-Network coinsurance has changed from 80% to 70% (student is responsible for 30%).
 - Exception: Office visits for In Network providers will be covered at 100% after the \$25 copayment

Q How do I find a doctor?

A 1. Go to www.gallagherstudent.com/wheatonma

2. Click on “Find a Doctor”.

Q How do I find a pharmacy?

- A 1. Go to www.gallagherstudent.com/wheatonma
2. Click on “Pharmacy Program”.

Q Does my SHIP plan include dental and/or vision insurance?

- A If you're 18 or younger, SHIP provides preventive dental and vision benefits as required by the Affordable Care Act. The same is true for your eligible and enrolled dependents. Refer to your SHIP brochure or certificate of coverage for details.

For other dental and vision options, see “Are there other products and services available to me?”

Q Am I still covered if I live off campus? While traveling? When studying abroad?

- A Yes, your plan covers you wherever you are. As long as you're enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact Gallagher Global Assistance before making arrangements on your own. Otherwise these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Q Am I still covered after I graduate?

- A. You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the annual coverage semester and graduate in December, you can request your coverage to be terminated at the end of the fall semester coverage period. If you enrolled

and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.

Q How does the ACA affect my SHIP?

- A. Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

Q What other services available to me through my SHIP?

- A. The following services are included and complement your SHIP program:
- **Basix Dental Savings** — an exclusive network of providers provides discounts on dental services from routine care to major dental work and can save you 20% to 50% off the cost of dental care.
 - **EyeMed Vision** — through this program you can receive discounted services for eye exams, glasses or contact lenses at participating EyeMed providers. You can use your EyeMed discounts as often as you like.
 - **SilverCloud** – an online behavioral health platform that provides behavioral health care and support for enrolled students.
