Dear Student or Parent:

Wheaton College offers a separate Accident Only Insurance Plan for those students who waive the Student Health Insurance Plan or for student athletes who want to have additional coverage.

This Accident Only Insurance Plan provides Accident protection up to an aggregate maximum payment of \$100,000 per Accident per policy year. It will also cover necessary medical services related to Accidents that may occur while students are away from campus during the academic year and during the summer months.

Student athletes are required to maintain insurance with a least a \$100,000 benefit maximum. They are encouraged to purchase this plan to help cover the cost for athletic related injuries and to supplement coverage they have as dependents under their parent's plan. For those student athletes who enroll in the Accident Only Insurance Plan and who become injured while participating in varsity intercollegiate sports, the coinsurance payments and Deductibles will be waived. The waiver of coinsurance and Deductibles is not extended to students participating in recreational activities and/or intramural or club sports which are student organizations operating under the sponsorship of the Student Government Association.
