The Affordable Way to Protect Your Most Valuable Asset – Your Health!

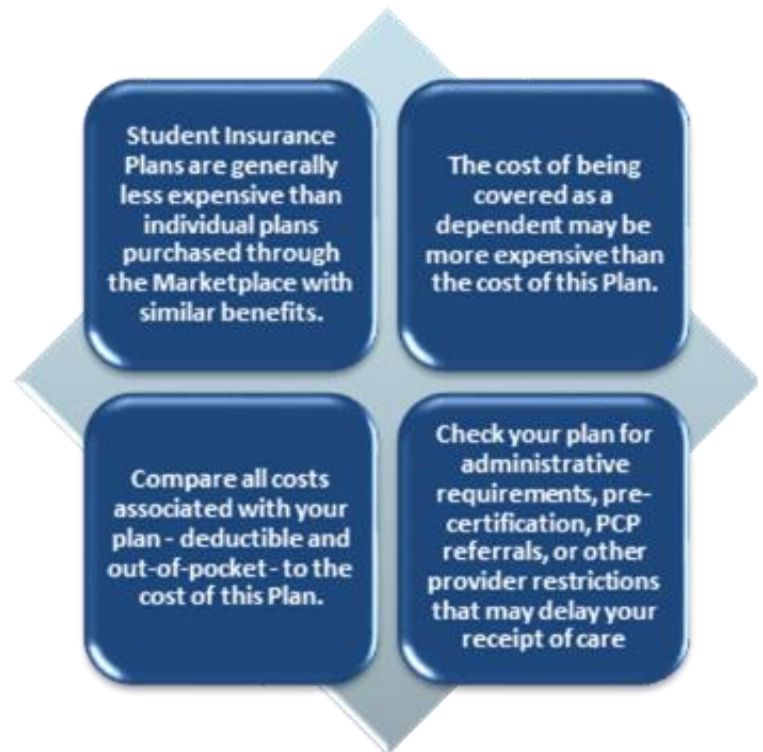

Staying healthy is one of the most important things you can do for yourself. When facing a health problem that may come up while you are at college, not getting the care you need due to lack of insurance or high out-of-pocket costs may turn into a roadblock in achieving your academic goals. Student Health Insurance ensures you have coverage for the unexpected, preventive care services and access to the medical services available on-campus, near campus and anywhere that you may live or travel. To ensure all students have health insurance coverage, USD provides a Student Health Insurance Plan and your Student Account has been billed for the premium. If your current health insurance plan is comparable to the USD Plan, you may submit a waiver by the published deadline to have the coverage and billing removed. Please review the general summary of benefits on the next page to assist you in determining if your current plan is comparable.
