Outpatient Medical Care

The Policy Deductible will be waived for a student when treatment is rendered at the Student Health Center (SHC) or Counseling Center or when referred to a Preferred Provider by the SHC or Counseling Center. A referral is not required to waive the deductible during Winter, Spring, and Summer breaks.

Quality, accessible and convenient outpatient medical care is provided for acute illnesses, minor injuries, preventive care and medical problems. A physician, nurse practitioner, and/or physician assistant and registered nurses are on duty during operating hours.

In order to minimize patient waiting time, students are strongly encouraged to schedule appointments in advance. Patients without appointments will be triaged by the registered nurse, who will determine whether the patient should be seen that day or scheduled for the next day. Please note that patients who arrive more than 10 minutes late for appointments may need to reschedule their appointment for another day.

All currently registered undergraduate, graduate, law and paralegal students who have paid the health fee are eligible for services at the USD Student Health Center. All non-students (i.e. visiting scholars) are not eligible to utilize the services of the Wellness units and are therefore not eligible to waive the Preferred Care Deductible

Most services are provided free of charge, and modest fees to cover costs are required for medications, immunizations and certain physical exams and labs. Payment is due at the time of service at the Student Health Center. Patients may pay with *check, CampusCash, AMERICAN EXPRESS* or *VISA/Mastercard*. (Cash is not accepted).

SHC Summer and Intersession: Monday – Friday, 10:00 a.m. to 3:00 p.m.

SHC Location:

Maher Hall 140

Student Coverage

Eligibility

All International and English Language Academy students are automatically enrolled in this insurance plan at registration and the premium for coverage is added to their tuition billing, unless proof of comparable coverage is furnished. In addition, all degree-seeking international students on visas that permit full-time study, degree-seeking international students on F-1 student visas, International exchange students on J-1 student visas, Visiting scholars and researchers on J-1 visas are eligible to enroll in the Student Health Insurance Plan.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Enrollment

All International and English Language Academy students are automatically enrolled in this insurance plan at registration and the premium for coverage is added to their tuition billing. All Visiting Scholars are eligible to enroll in this insurance plan.

Waiver Process/Procedure

International and English Language Academy students who are currently enrolled in a health insurance plan of comparable coverage that will be in effect until **July 31, 2020**, or until the end of their program, can elect to waive the University of San Diego International Student Accident & Sickness Insurance Plan. Recognizing that health coverage may change, at the beginning of each academic year, international students will be asked to provide proof of comparable coverage in order to waive the Student Accident & Sickness Insurance Plan.

Beginning with the 2019-2020 policy year, Gallagher Student Health will audit or verify the waiver request of F-1 students. This is to make sure your insurance plan will cover you when you are attending the University of San Diego.

Waiver Process

To document proof of comparable coverage, an online waiver form must be completed and submitted by the deadline.

1. Log onto: www.gallagherstudent.com/usdint
2. Click on the "Student Waive" tab.
3. Log in using your University of San Diego email address as your username and your Student ID as your password.
4. Once logged in, click on the red "I want to waive" button.

Immediately upon submitting the Waiver Form, you will receive a reference number indicating that the form has been successfully submitted. Print this reference number for your records. If you do not receive a reference number, you will need to correct any errors and resubmit the form. The online process is the only accepted process for waiving coverage. The University of San Diego reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the International Student Accident & Sickness Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

International students can only waive the Student Accident & Sickness Insurance Plan if they are enrolled in an insurance plan of comparable coverage. This means the policy must:

- Be in effect throughout the semester and renewable for continuous coverage
- Have an unlimited policy maximum
- Include outpatient care (doctor visits, outpatient surgery, etc.)
- Include hospitalization
- Have **\$25,000** Repatriation and **\$50,000** Medical Evacuation coverage
- Services should include but are not limited to:
 - Preventive and non-urgent care
 - Emergency care
 - Surgical care
 - Inpatient and outpatient hospitalization
 - Lab work
 - Diagnostic x-rays
 - Physical therapy
 - Chiropractic care
 - Prescription drugs
 - Mental health and substance abuse treatment

In the event students waive the Student Health Insurance Plan and then loses current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), students have the right to petition to add coverage within **31 days** of the qualifying event. If the petition is received within **31 days** of the qualifying event, there will be no break in coverage. For petitions received after the **31 days**, the effective date of coverage will be the date that the petition is received at Gallagher Student Health. If approved, the premium will not be prorated.

Waiver Deadline

Waiver Deadline
Annual
September 13, 2019

International students who waive the Accident & Sickness Insurance Plan in the fall waive coverage for the entire policy year. The Online Waiver process is the only accepted process for making your insurance selection. International Students who do not submit the Online Waiver Form by the deadline will be enrolled in and billed for the Student Accident & Sickness Insurance Plan.

Medicare Eligibility Notice

You are not eligible for health coverage under this student policy if you have Medicare at the time of enrollment in this student plan.

If you obtain Medicare after you enrolled in this student plan, your health coverage under this plan will not end.

As used here, “have Medicare” means that you are entitled to benefits under Part A (receiving free Part A) or enrolled in Part B or Premium Part A.

In-network Provider Network

Aetna Student Health offers Aetna’s broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan’s benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some eligible health services. Pre-approval is also called precertification.

Precertification for medical services and supplies

In-network care

Your in-network physician is responsible for obtaining any necessary precertification before you get the care. If your in-network physician doesn't get a required precertification, we won't pay the provider who gives you the care. You won't have to pay either if your in-network physician fails to ask us for precertification. If your in-network physician requests precertification and we refuse it, you can still get the care but the plan won't pay for it. You will find additional details on requirements in the Certificate of Coverage.

Out-of-network care

When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not pre-certify there may be a penalty. Refer to your schedule of benefits for this information. The list of services and supplies requiring precertification appears later in this section

Precertification call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. This call must be made:

Non-emergency admissions:	You, your physician or the facility will need to call and request precertification at least 14 days before the date you are scheduled to be admitted.
An emergency admission:	You, your physician or the facility must call within 48 hours or as soon as reasonably possible after you have been admitted.
An urgent admission:	You, your physician or the facility will need to call before you are scheduled to be admitted. An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.
Outpatient non-emergency services requiring precertification:	You or your physician must call at least 14 days before the outpatient care is provided, or the treatment or procedure is scheduled.

Written notification of precertification decisions

We will provide a written notification to you and your **physician** of the **precertification** decision, within:

- 5 business days for a non-urgent requests
- 72 hours for urgent requests
- 30 days for retrospective requests

If your **precertified** services are approved, the approval is valid for 60 days as long as you remain enrolled in the plan.

If precertification determines that the stay or outpatient services and supplies are not covered benefits, the notification will explain why and how you can appeal our decision. You or your provider may request a review of the precertification decision. See the *When you disagree - claim decisions and appeals procedures* section of Certificate of Coverage.

You do not need **precertification** for the following inpatient **stays**:

- Following a mastectomy and/or lymph node dissection (your **physician** will determine the length of your **stay**)
- Pregnancy related **stay** following the delivery of a baby that is less than 48 hours for a normal vaginal delivery or a 96 hour stay for delivery by caesarean section

What if you don't obtain the required precertification?

If you don't obtain the required **precertification**:

- There may be a benefit penalty. See the schedule of benefits *Precertification covered benefit penalty* section.
- Any benefit penalty incurred will not count toward your **policy year deductibles** or **maximum out-of-pocket limits**.

What types of services and supplies require precertification?

Precertification is required for the following types of services and supplies:

Inpatient services and supplies
Obesity (bariatric) surgery
Stays in a hospice facility
Stays in a hospital
Stays in a rehabilitation facility
Stays in a residential treatment facility for treatment of mental disorders and substance abuse
Stays in a skilled nursing facility

**For a current listing of the prescription drugs and medical injectable drugs that require precertification, contact Member Services by calling the toll-free number on your ID card in the How to contact us for help section or by logging onto the Aetna website at www.aetnastudenthealth.com.*

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB).

Here's how COB works

- When this is the primary plan, we will pay your medical claims first as if the other plan does not exist
- When this is the secondary plan, we will pay benefits after the primary plan and will reduce the payment based on any amount the primary plan paid
- We will never pay an amount that, together with payments from your other coverage, add up to more than 100% of the allowable submitted expenses

For more information about the Coordination of Benefits provision, including determining which plan is primary and which is secondary, you may call the Member Services telephone number shown on your ID card. A complete description of the Coordination of Benefits provision is contained in the Policy issued to University of San Diego - International and may be viewed online at www.aetnastudenthealth.com.

Description of Benefits

The Plan excludes coverage for certain services (referred to as exceptions in the certificate of coverage) and has limitations on the amounts it will pay. While this Plan Design and Benefit Summary document will tell you about some of the important features of the Plan, other features may be important to you and some may further limit what the Plan will pay. To look at the full Plan description, which is contained in the Certificate of Coverage issued to you, go to www.aetnastudenthealth.com. If any discrepancy exists between this Benefit Summary and the Certificate of Coverage, the Certificate will control.

How your plan works while you are covered for in-network coverage

Your in-network coverage helps you:

- Get and pay for a lot of – but not all – health care services

Pay less cost share when you use an in-network provider

This Plan will pay benefits in accordance with any applicable **California** Insurance Law(s).

<p>Important note:</p> <ul style="list-style-type: none"> As out-of-network providers do not have a contract with us the provider may not accept payment of your cost share, (copayment and coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on your ID card, or call Member Services for an address at 1-877-480-4161 and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill. A separate hospital emergency room copayment will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment will be waived and your inpatient copayment will apply. Covered benefits that are applied to the hospital emergency room copayment cannot be applied to any other copayment under the plan. Likewise, a copayment that applies to other covered benefits under the plan cannot be applied to the hospital emergency room copayment. Separate copayment amounts may apply for certain services given to you in the hospital emergency room that are not part of the hospital emergency room benefit. These copayment amounts may be different from the hospital emergency room copayment. They are based on the specific service given to you. Services given to you in the hospital emergency room that are not part of the hospital emergency room benefit may be subject to copayment/coinsurance amounts that are different from the hospital emergency room copayment/coinsurance amounts.

A covered person, a covered person's designee or a covered person's prescriber may seek an expedited medical exception process to obtain coverage for non-covered drugs in exigent circumstances. An "exigent circumstance" exists when a covered person is suffering from a health condition that may seriously jeopardize a covered person's life, health, or ability to regain maximum function or when a covered person is undergoing a current course of treatment using a non-formulary drug.

The request for an expedited review of an exigent circumstance may be submitted by contacting Aetna's *Pre-certification Department* at **1-855-240-0535**, faxing the request to **1-877-269-9916**, or submitting the request in writing to:

What your plan doesn't cover – eligible health service exceptions and exclusions

We already told you about the many health care services and supplies that are eligible for coverage under your plan in the *Eligible health services under your plan* section. In that section we also told you that some health care services and supplies have exceptions and some are not covered at all which are called “exclusions”.

In this section we tell you about the exceptions and exclusions that apply to your plan.

And just a reminder, you'll find coverage limitations in the schedule of benefits.

General exceptions and exclusions

Alternative health care

- Services and supplies given by a provider for alternative health care. This includes but is not limited to aromatherapy, naturopathic medicine, herbal remedies, homeopathy, energy medicine, Christian faith-healing medicine, Ayurvedic medicine, yoga, hypnotherapy, and traditional Chinese medicine.

Armed forces

- Services and supplies received from a provider as a result of an injury sustained, or illness contracted, while in the service of the armed forces of any country. When you enter the armed forces of any country, we will refund any unearned pro-rata premium to the policyholder.

Breasts

- Services and supplies given by a provider for breast reduction or gynecomastia, except as **medically necessary**.

Clinical trial therapies (experimental or investigational)

- Your plan does not cover clinical trial therapies (experimental or investigational), except as described in the *Eligible health services under your plan - Clinical trial therapies (experimental or investigational)* section
