## Getting Started

### Am I eligible for student health insurance?

All students enrolled at least 75% of full-time will be automatically enrolled in and billed for the SHIP if you are attending classes on campus or studying remotely unless you waive coverage. This includes students who are studying abroad. Students who withdraw before the first day of classes are not eligible to be enrolled in SHIP.

### How do I enroll or waive?

1. Go to [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams)
2. Login under "Profile."
3. Click on the "Enroll" or "Waive" button under "Plan Summary."
4. Complete and submit the form by following the instructions.
5. Enrollment confirmation email will be sent.

### How do I enroll my dependents?

1. Go to [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams)
2. Follow the login instructions.
3. Click on the "Enroll" button under "Plan Summary."
4. Follow the instructions to complete the form to enter and enroll your "dependent spouse/partner" and/or "dependent children."
5. Enrollment confirmation email will be sent.
6. You will receive an email with a link to submit payment.

You must purchase dependent insurance for the same coverage period as your own coverage. For example, if you enroll for annual coverage, your dependents need to be enrolled for annual coverage. If you don't enroll your dependents at that time, you cannot enroll your dependents unless a qualifying event occurs.

**Note:** *If enrolling a dependent for the first time in SHIP, documentation needs to be uploaded at the time of submission. For example, a marriage certificate for a dependent spouse or birth certificate for a dependent child.*

### Am I eligible to waive?

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements.

Waiver requirements include being enrolled in a health insurance plan that is fully compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO or Medicaid plan, your coverage will likely be limited — or unavailable — outside of your HMO or Medicaid's service area and will not meet your school's waiver requirements. If a claim is submitted before you have an approved waiver, you must stay enrolled in the plan.

## How do I waive health insurance coverage?

1. Go to [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams)
2. Follow the login instructions.
3. Click on the “Enroll” button under “Plan Summary.”
4. You will need your health insurance information.
5. Follow the instructions to complete the form.
6. A reference number will be emailed upon submission; however, final determination may take 24–48 hours.

**Note:** Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.

## Can I cancel my waiver form after I've submitted it?

Yes, but only if it's before your waiver/enrollment deadline of **August 3, 2026**.

1. Go to [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams)
2. Follow the login instructions.
3. Navigate to “Account Details.”
4. Click “Click Here to Rescind Your Waiver.”
5. Click “Rescind My Waiver.”

**Note:** Once waiver is rescinded, this action cannot be reversed. You may not edit your form after August 3, 2026.

## If I waive, but then lose my coverage, can I enroll in SHIP or enroll my dependents if they lose coverage?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.

## You can only add eligible dependent(s) outside of the enrollment period if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

### To initiate the Qualifying Life Event process:

1. Go to [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams)
2. Follow the login instructions.
3. Click on “Enroll-Qualifying Life Event.”
4. Complete the online form and upload the required supporting document, such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

**Note:** Read the form carefully as it contains very specific information on the Qualifying Life Event process.

**Note:** Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.

### Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you are enrolled in annual coverage, you may only request coverage termination — and a pro-rated premium refund/credit — in the following situations:

- You are entering the armed forces.
- You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.
- You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children’s Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester). You must submit a Termination of Coverage Form at [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams) to cancel your coverage.

*Note - Your request to terminate coverage needs to be submitted to Gallagher Student Health & Special Risk no later than the last day of fall coverage (12/31/2026).*

### How can I get more information about my plan?

Go to [www.gallagherstudent.com/Williams](http://www.gallagherstudent.com/Williams).

### Have changes been made to this year’s plan?

There are no changes to the 2026/2027 plan.

### Am I still covered if I live off campus? While traveling? When studying abroad?

Yes, your plan covers you wherever you are. If you're enrolled in SHIP and paid the premium, you'll be covered.

### Other information about seeking medical care abroad:

- Always keep your SHIP ID card (physical or virtual) with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.

- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

## Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for annual coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
