Waiving SHIP Coverage

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements.

Waiver requirements include being enrolled in a health insurance plan that is fully compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO or Medicaid plan, your coverage will likely be limited — or unavailable — outside of your state's service area and will not meet your school's waiver requirements. **If a claim is submitted before you have an approved waiver, you will remain enrolled in the plan.**

1. Go to www.gallagherstudent.com/Trinity.
2. Follow the login instructions.
3. Click on the “Waive” button under “Plan Summary.”
4. You will need your health insurance information.
5. Follow the instructions to complete the form.
6. A reference number will be emailed upon submission; however, final determination may take 24–48 hours.

Note: *Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.*

Can the waiver form be cancelled?

If you successfully waived SHIP coverage but decide to enroll at a later date, you can cancel the waiver form after it's been submitted by following the directions below.

Yes, but only if it's before your waiver/enrollment deadline of August 15, 2026.

1. Go to www.gallagherstudent.com/Trinity.
2. Follow the login instructions.
3. Navigate to "Account Details."
4. Click "Click Here to Rescind Your Waiver."
5. Click "Rescind My Waiver."

Note: Once waiver is rescinded, this action cannot be reversed. You may not edit your form after August 15, 2026.

If I waive, but then lose my coverage, can I enroll in SHIP?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.
- Loss of health insurance through marriage or divorce

To initiate the Qualifying Life Event process:

1. Go to www.gallagherstudent.com/Trinity.
2. Follow the login instructions.
3. Click on "Enroll-Qualifying Life Event."
4. Complete the online form and upload the required supporting document, such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

Note: Read the form carefully as it contains very specific information on the Qualifying Life Event process.

If your enrollment in SHIP is on a voluntary basis, there is no option for the Qualifying Life Event process if you lose coverage with your current health insurance plan.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled in the plan for the full coverage period. **You have no option to terminate** coverage unless you enter the armed forces. In that case we will refund — or your student account will be credited — a pro-rated share of your premium. If you are an international student withdrawing or graduating from your school and returning to your home country, you may qualify for a refund of premium. **Note: If there are any claims submitted and paid by the carrier the plan may not be terminated.**

About My Benefits

What do my benefits include?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and X-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other injury.

It covers preventive care services at no cost when you use in-network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

It pays for 80% of your medical fees when you use in-network providers. This is the advantage to using in-network providers. When you use out-of-network providers the coinsurance is less, which means your potential out-of-pocket costs are more. You will also be responsible for paying any deductibles and applicable office visit and prescription drug copayments.

- It has a \$250 per insured, per policy year deductible for in-network medical services and a \$500 per insured, per policy year deductible for out-of-network medical services.
- It has a \$40 copayment for office visits for in-network and 50% of U&C out-of-network.
- Prescription drugs are covered for a 30-day supply after a:
 - \$5 copay for a generic/tier-1 drug.
 - \$40 copay for a preferred brand name/tier-2 drug.
 - \$40 copay for a non-preferred brand name/tier-3 drug.

Note: In some cases, prescription drugs may have a supply or quantity limit or require your doctor to get a prior authorization before you can pick-up your prescription. You can see review your plan's pharmacy list or formulary by visiting your school's page at www.gallagherstudent.com/Trinity.

Your plan also includes pediatric and adult dental and vision care through age 26.

Where can I get more information about my plan?

Go to [Wellfleet Student - Trinity College - CCIC \(studentinsurance.com\)](http://Wellfleet Student - Trinity College - CCIC (studentinsurance.com)).

You can also scan the QR code below with your phone to access the website:

Have changes been made to this year's plan?

- *With state approval, a Copayment Assistance Program will apply to certain Specialty Prescription Drugs that adjudicate at 25% coinsurance. Copayment Assistance dollars paid by the drug manufacturer for covered Specialty Prescription Drugs will be applied toward members accumulators.*
- *Rx copays change from \$5/\$40/\$40/\$40 to \$10/\$40/\$60/\$80*
- *Out of Pocket Maximum Changes from \$6,350 to \$10,600*

Am I still covered while traveling? When studying abroad?

Yes, your plan covers you wherever you are. If you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24-hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging emergency medical evacuation or repatriation of remains. It's important to contact **TravelGuard (Wellfleet) at (877-305-5030)** before making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
