Insurance Plan Benefits

What benefits does your SHIP provide?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a variety of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations, and most immunizations.

It pays for 80% of your medical fees when you use In-Network providers. This is the advantage to using in-network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. There may be copayments and deductibles you'll be responsible for paying.

- It has a \$250 per Insured, per policy year deductible for In-Network medical services.
- It has a \$400 per Insured, per policy year deductible for Out-of-Network medical services
- For prescription drugs from participating pharmacies, you will pay:
 - a \$15 copay for a 30-day supply of a Tier-1 drug

- a \$45 copay for a 30-day supply of a Tier-2 drug,
- a \$75 copay for a 30-day supply of a Tier-3 drug.
- Note: in some cases, your doctor must get permission from the insurance company before prescribing a drug. You can see which drugs require preapproval by visiting your school's page at www.gallagherstudent.com.

Need more information about your plan?

Go to www.gallagherstudent.com/UMS.

What changes have been made to the Plan for the 2020-2021 Policy Year?

- The Insurance Broker is now Gallagher Student Health & Special Risk.
- The in-network deductible has changed from \$400 to \$250.
- Waivers will now be audited to verify active coverage for the 2020-2021 policy year.

Does your plan include dental and/or vision benefits?

If you're 18 or younger, you can get preventive dental and vision benefits with this plan. For details, refer to your SHIP brochure or certificate.

More information about your dental and vision options

To enroll in a voluntary dental plan or vision plan (additional cost), go to www.gallagherstudent.com/dental or www.gallagherstudent.com/vision. The types of plans and availability of plans vary by state. The voluntary vision plan is not available in the following states: MA, MD, MT, NM, NY, RI, WA, PA (certain counties).

How much does the SHIP cost?

	Annual Coverage 08/01/2020-07/31/2021	Spring Coverage (01/01/2021-07/31/2021)
Enrollment/Waiver Deadline	October 1, 2020	February 28, 2021
Student Only	\$2,264	\$1,314

Do I need a referral from my school's Health Services to see an off-campus health provider?

No, you don't need a referral. However, if your campus has an onsite Student Health Center, seeking care or advice first from Health Services is a good idea, since they can connect you with valuable on-campus services or refer you to providers they know off-campus. Please refer to the Student Health Center links under the 'Resources' tile at www.gallagherstudent.com/UMS for more information.

Am I still covered if I live off campus or I'm traveling or studying abroad?

Yes, your plan covers you wherever you are - during semester breaks and summer vacation. This is true even if you're traveling or studying abroad. As long as you're enrolled in SHIP and you paid your premiums, you'll be covered.

More information about off-campus, travel and study abroad

In addition to being covered for medical treatment and services, your plan also offers 24-hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact Geo Blue to make the arrangements for you, so contact them before making arrangements on your own. If you don't contact them first, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an Out-of-Network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address, and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Does my plan still cover me after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled and have paid your premium. If you enrolled and paid for annual coverage and graduate in the spring, you will be covered until the end of the policy year.

Eligibility, Enrollment & Waiving

Am I eligible for student health insurance?

- All full-time undergraduate students taking 9 or more credit hours per semester and full-time graduate students taking 6 or more credit hours per semester are required to have health insurance and are automatically enrolled unless they waive with comparable coverage.
- All domestic undergraduate or domestic graduate students taking less than the required number of credit hours who are enrolled in a program of study that has an insurance requirement.

Students must actively attend classes for at least the first 31 days after your policy begins. Home-study, correspondence, and online courses are not eligible for the student insurance plan.

Can I enroll my eligible dependents?

The SHIP does not provide dependent coverage.

What should I know before waiving coverage?

Before waiving coverage, review your current policy and then consider these questions:

- Does your plan comply with the ACA? (See the FAQ, “What do you mean by ‘comparable coverage?’”)
- Will your current plan cover at least emergency services while you are at school?

More information about waiving coverage

- If you don't complete a waiver/enrollment form by the published deadline, you will be automatically enrolled in and billed for your SHIP.
- If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.
- You should submit an online form, whether enrolling or waiving.

Will you audit or verify my waiver request?

Yes, we will audit or verify your request to ensure your coverage is active.

More information about our waiver review process

Here's how our waiver review process works:

- We check the insurance company information you entered on your form to make sure it's accurate and that your coverage is active.
- We verify most waiver requests within 2 business days.
- Once we verify your coverage, we'll let you know whether we approved your waiver via an email to the address you provided on your form. If we deny your request, we'll tell you why. We'll also guide you should you wish to revise and resubmit your form and supporting documentation.

Our waiver verification process is new this year. As a result, it's possible we'll no longer accept your prior waiver.

If I waive, but then lose coverage, can I enroll in SHIP?

If you waive and then lose coverage under that plan (called a qualifying event), you may submit a Petition to Add request. The form can be found on your school's page at www.gallagerstudent.com. Make sure you read the form carefully as it contains very specific information on the Petition to Add process. Qualifying events include:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce
- Involuntary loss of coverage from another health insurance plan

If your enrollment in SHIP is on a voluntary basis, there is no option to Petition to Add if you lose coverage with your current health insurance plan. If you missed the enrollment deadline you will need to wait until the next open enrollment period.

How does the ACA affect my SHIP?

Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some

immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

May I use one of my state's marketplace health insurance plans to waive my SHIP?

If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you'll have In-Network providers near your campus.

Enrolling mid-year in a state marketplace plan will not allow you to cancel your SHIP.

Once I'm enrolled in the SHIP, can I cancel it? Can I get a refund?

In some cases, you can cancel your SHIP and receive a refund.

Once you're enrolled in SHIP, you will remain enrolled in it for that coverage period. You have no option to terminate it unless you enter the armed forces. In that case, we will refund a pro-rated share of your premium.
