Highlights of Services offered by UnitedHealthcare StudentResources

HealthiestYou: 24/7 Doctor Access

Starting on the effective date of your coverage under the student insurance plan, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service.* By visiting www.telehealth4students.com, you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As a Member with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Member students ages 18 and over. If you call prior to your effective date of your coverage under the insurance plan, you will be charged a service fee before being connected to a board-certified physician.

HealthiestYou: Virtual Counselor Access

Starting on the effective date of your coverage under the student insurance plan, you have access to mental health providers through a national virtual counseling service.* Psychiatrists, psychologists and licensed therapists are available to you through a variety of communication methods, including phone and video.

When you sign up, you'll complete a questionnaire, choose your provider and select a date and time for your appointment. Appointments are available 7 days a week. Visits are secure, discreet and confidential, and you have ongoing support with the same provider.

As a Member with **StudentResources**, there is no consultation fee for this service. Every communication with a provider is covered 100% during your policy period.

*Available to Member students; age restrictions may apply, depending on your state.

24/7 Student Support

Members have immediate access to the Student Assistance Program, a service that coordinates counseling services offered by Master's Licensed Clinicians who can provide Members with someone to talk to when everyday issues become overwhelming. More information about these counseling services is available by logging into My Account at www.uhcsr.com/MyAccount.

ID Cards

One way we are becoming greener is to no longer automatically mail out ID Cards. Digital ID Cards can be downloaded or printed by visiting your school's page at www.uhcsr.com. In addition, upon receipt of an email notification from UHC digital ID cards are also available for download on the UHC My Account page, where the student can also request delivery of a permanent ID card through the U.S. mail.

- Make an appointment with a contracted dentist. Contracted dentists and their fee schedules are listed at findbestbenefits.com/student.
- Select a participating provider at findbestbenefits.com/student.
- Give the dental network name to your provider when making your appointment
