How do I enroll my dependents?

This plan does not offer coverage for your dependents.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled in the plan for the full coverage period. You have no option to terminate coverage unless you enter the armed forces. In that case we will refund — or your student account will be credited — a pro-rated share of your premium. If you are an international student withdrawing or graduating from your school and returning to your home country, you may qualify for a refund of premium.

About My Benefits

How can I get more information about my plan?

Go to www.uhcsr.com

Have changes been made to this year's plan?

No changes were made to the plan for the 2023–2024 Policy Year.

Am I still covered if I live off campus? While traveling? When studying abroad?

Your plan also provides you with 24-hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging emergency medical evacuation or repatriation of remains. It's important to contact UHC Global 1-855-289-2618 before making arrangements on your own. Otherwise, these services will not be covered.

To access these services, please see the contact information on the back of your ID card or in [My Account](#). For more information on Global Emergency Services, please review the Assistance and Evacuation Benefits section in your Brochure-Certificate.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.

- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.

Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.

How do I obtain a tax form?

Most fully insured UnitedHealthcare members will no longer automatically receive a paper copy of the Form 1095-B due to a change in the tax law. Under new law that became effective beginning with the 2019 tax year, the IRS penalty for not having health coverage was reduced to zero. Therefore, individuals no longer need the information on the Form 1095-B to file a federal income tax return. Members living in states with laws that require reporting of health coverage will continue to receive a paper copy of the Form 1095-B for state filing tax purposes.

Form 1095-B will still be produced for all UHC fully insured members and will continue to be made available in My Account no later than the annual deadline set by the IRS. Members can view and/or download and print a copy of the form at their convenience, if desired.
