2. Login under “Profile” by entering your student login credentials.
3. Click on the “Enroll” button under “Plan Summary.”
4. Complete and submit the form by following the instructions.

Waiving SHIP Coverage

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements.

Waiver requirements include being enrolled in a health insurance plan that is fully compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO or Medicaid plan, your coverage will likely be limited — or unavailable — outside of your state's service area and will not meet your school's waiver requirements. **If a claim is submitted before you have an approved waiver, you will remain enrolled in the plan.**

How do I waive?

- Go to gallagherstudent.com/amherst.
- Follow the login instructions.
- Click on the “Waive” button under “Plan Summary.”
- You will need your health insurance information.

Note: Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.

If you successfully waived SHIP coverage but decide to enroll at a later date, you can cancel the waiver form after it's been submitted by following the directions below.

This must be completed prior to the waiver/enrollment deadline of August 15, 2026.

- Go to gallagherstudent.com/amherst.
- Follow the login instructions.
- Navigate to "Account Details."
- Click "Click Here to Rescind Your Waiver."
- Click "Rescind My Waiver."

Note: Once your waiver is rescinded, this action cannot be reversed. You may not edit your form after August 15, 2026.

If I waive, but then lose my coverage, can I enroll in SHIP if I lose coverage?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.

To initiate the Qualifying Life Event process:

1. Go to gallagherstudent.com/amherst.
2. Follow the login instructions.
3. Click on "Enroll-Qualifying Life Event."
4. Complete the online form and upload the required supporting document, such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

Note: Read the form carefully as it contains very specific information on the Qualifying Life Event process.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you are enrolled in annual coverage, you may only request coverage termination — and a pro-rated premium refund/credit — in the following situations:

- You're entering the armed forces.
- You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.
- You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children's Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).

If you meet any of the criteria outlined above, you may submit a request to terminate coverage. Requests need to be submitted to Gallagher Student Health & Special Risk **no later than the last day of fall coverage, January 4, 2027.**

To terminate coverage:

1. Go to gallagherstudent.com/amherst.
2. Follow the login instructions.
3. Navigate to "Account Details" under "Plan Summary" and click the "Terminate Coverage" link.
4. Complete the termination form and choose your appropriate termination reason.
5. Some selections, like "Alternate Coverage," will prompt you to provide alternate insurance information.
6. Submit the form.

Where can I get more information about my plan?

Have changes been made to this year's plan?

- Excludes coverage for GLP-1 weight loss drugs

Am I still covered while traveling? When studying abroad?

Yes, your plan covers you wherever you are. If you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24-Hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging emergency medical evacuation or repatriation of remains. It's important to contact GeoBlue (see page 2 of this document for Geo Blue's phone number) before making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address, and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.
