Insurance Plan Benefits

What benefits does your SHIP provide?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a variety of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other Injury.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations, and most immunizations.

It pays for 80% of your medical fees when you use In-Network providers. This is the advantage to using in-

network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. There may be copayments and deductibles you'll be responsible for paying.

- It has a \$300 per Insured, per policy year deductible for In-Network medical services.
- It has a \$450 per Insured, per policy year deductible for Out-of-Network medical services.
- For prescription drugs from participating pharmacies, you will pay:
 - a \$25 copay for a 31-day supply of a Tier-1 drug
 - a \$35 copay for a 31-day supply of a Tier-2 drug,
 - a \$60 copay for a 31-day supply of a Tier-3 drug.
- Note: in some cases, your doctor must get permission from the insurance company before prescribing a drug. You can see which drugs require preapproval by visiting your school's page at www.gallagherstudent.com.

Need more information about your plan?

Go to www.gallagherstudent.com/biola.

What changes have been made to the Plan for the 2020-2021 Policy Year?

The following prescription drug program changes are being made to the UnitedHealthcare Pharmacy network pharmacy benefits (Requirements subject to state regulatory review and approval):

- Step Therapy has been added.
- Prior Authorization Requirements will replace notification

Does your plan include dental and/or vision benefits?

If you're 18 or younger, you can get preventive dental and vision benefits with this plan. The same holds true for your enrolled eligible dependents as long as they are 18 or younger. For details, refer to your SHIP brochure or certificate.

More information about your dental and vision options

To enroll in a voluntary dental plan or vision plan (additional cost), go to www.gallagherstudent.com/dental or www.gallagherstudent.com/vision. The types of plans and availability of plans vary by state. The voluntary vision plan is not available in the following states: MA, MD, MT, NM, NY, RI, WA, PA (certain counties).

How much does the SHIP cost?

	Fall 08/01/2020 - 12/31/2020	Spring/Summer 01/01/2021 - 07/31/2021
Student	\$1,070	\$1,070
Spouse	\$1,070	\$1,070
One Child	\$1,070	\$1,070
Two or more Children	\$2,140	\$2,140
Spouse and 2 or More Children	\$3,210	\$3,210

Do I need a referral from my school's Health Services to see an off-campus health provider?

No, you don't need a referral. However, seeking care or advice first from the Health Center is a good idea, since they can connect you with valuable on-campus services or refer you to providers they know off-campus.

Am I still covered if I live off campus or I'm traveling or studying abroad?

Yes, your plan covers you wherever you are - during semester breaks and summer vacation. This is true even if you're traveling or studying abroad. As long as you're enrolled in SHIP and you paid your premiums, you'll be covered.

More information about off-campus, travel and study abroad

In addition to being covered for medical treatment and services, your plan also offers 24-hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact UnitedHealthcare Global to make the arrangements for you, so contact them before making arrangements on your own. If you don't contact them first, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address, and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Does my plan still cover me after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled and have paid your premium. If you enrolled and paid for annual coverage and graduate in the spring, you will be covered until the end of the policy year.

Eligibility, Enrollment & Waiving

Am I eligible for student health insurance?

All domestic graduate and undergraduate students who are enrolled in 7 or more credit hours (at least 3 credit hours must be taken on campus) are required to purchase this insurance plan unless proof of comparable coverage is provided.

You must actively attend classes for at least the first 31 days after your policy begins. Home-study, correspondence, and online courses do not fulfill this requirement.

Can I enroll my eligible dependents?

Yes, Students can also enroll their dependents at the time of registration. Dependents can also be added by contacting the Student Health Center Office at 1-562-903-4841.

Qualifying events for enrolling your dependents

You can add eligible dependent(s) if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

In such cases, you must submit a Dependent Petition to Add Form, and supporting documentation, to Gallagher Student Health & Special Risk within 31 days of the event. If approved, your coverage will start on the date of the qualifying event. Requests received after 31 days will not be processed.

Note: Your premium is prorated. Once your dependent is enrolled, you can't terminate coverage unless you lose your Student Health Insurance eligibility.

What should I know before waiving coverage?

Before waiving coverage, review your current policy and then consider these questions:

- Does your plan comply with the ACA? (See the FAQ, "What do you mean by 'comparable coverage'?")
- Will your current plan cover medical care beyond emergency services (i.e. doctor's office visits, diagnostic testing, x-rays, prescription drugs, mental health, etc.) on- and off-campus?
- Does your plan have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?
- Is the annual cost of your SHIP less expensive than the cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

More information about waiving coverage

- If you don't complete a waiver form by the published deadline, you will be automatically enrolled in and billed for your SHIP.
- If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

What do you mean by “comparable coverage”?

If your current plan is an HMO, your coverage will likely be limited—or not available—outside of your HMO’s service area. As a result, it probably won’t be considered a “comparable” plan.

Confused about waiving your SHIP coverage? Before deciding what to do, compare your current health insurance plan to your SHIP coverage. Consider your possible out-of-pocket costs – deductibles, copays, coinsurance and out-of-pocket maximums. You may find your current plan’s out-of-pocket costs to be higher than what you’ll pay for SHIP. Moving to SHIP may be financially beneficial.

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans
- Plans from insurance companies not located within the United States
- Prescription discount plans

If you decide to opt out of your SHIP, you must be insured by a plan that provides unlimited benefits with no maximums and no pre-existing condition limitations, for example. This means it must comply with the ACA and meet or exceed the benefits provided through the SHIP. Your plan must have participating providers and cover a range of services in and around the geographic area where you attend school. Services should include, but aren’t limited to:

- Preventive and non-urgent care (this includes most immunizations)
- Prescription drugs
- Emergency care
- Mental health and substance abuse treatment
- Surgical care
- Inpatient and outpatient hospitalization
- Lab work
- Physical therapy
- Chiropractic care
- Diagnostic x-rays

If I waive, but then lose coverage, can I enroll in SHIP?

If you waive and then lose coverage under that plan (called a qualifying event), you may submit a Petition to Add request. The form can be found on your school’s page at www.gallagerstudent.com. Make sure you read the form carefully as it contains very specific information on the Petition to Add process. Qualifying events include:

- Reaching the age limit of another health insurance plan

- Loss of health insurance through marriage or divorce
- Involuntary loss of coverage from another health insurance plan

If your enrollment in SHIP is on a voluntary basis, there is no option to Petition to Add if you lose coverage with your current health insurance plan. If you missed the enrollment deadline you will need to wait until the next open enrollment period.

How does the ACA affect my SHIP?

Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

May I use one of my state's marketplace health insurance plans to waive my SHIP?

If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you'll have In-Network providers near your campus.

Are you an international student? If so, then purchasing a subsidized marketplace plan or the state's Medicaid plan may jeopardize your visa status.

Enrolling mid-year in a state marketplace plan will not allow you to cancel your SHIP.

Once I'm enrolled in the SHIP, can I cancel it? Can I get a refund?

In some cases, you can cancel your SHIP and receive a refund.

Once you're enrolled in SHIP, you will remain enrolled in it for that coverage period. You have no option to terminate it unless you enter the armed forces. In that case, we will refund a pro-rated share of your premium.
