Who is eligible to enroll?

All domestic graduate and undergraduate students who are enrolled in 7 or more credit hours (at least 3 credit hours must be taken on campus) are required to purchase this insurance plan unless proof of comparable coverage is furnished.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
