Getting Started

Q Where can I learn about the Student Health Insurance Plan (SHIP)?

A Go to www.gallagherstudent.com/lsu-batonrouge.

Q How do I log in?

- A
1. Go to www.gallagherstudent.com/lsu-batonrouge.
 2. On the top right of the corner of the screen, click “Student Login”.
 3. Follow the login instructions.

Enrolling in my SHIP

Q Am I eligible for student health insurance?

A All Domestic undergraduate and graduate students registered for resident study and taking classes at LSU Baton Rouge are eligible to enroll in this insurance plan on a voluntary basis. Covered students may enroll their eligible Dependents on a voluntary basis.

You must actively attend classes for at least the first 31 days after your policy begins. Home-study, correspondence, and online courses do not fulfill this requirement.

Q How do I enroll?

- A
1. Go to www.gallagherstudent.com/lsu-batonrouge.
 2. Click “Domestic Student Enroll”.
 3. Follow the login Instructions.
 4. Follow the instructions to complete the form and submit payment.
 5. Save a copy of your reference number.

Q How do I enroll my dependents?

- A
1. Go to www.gallagherstudent.com/lsu-batonrouge.
 2. Follow the login Instructions.
 3. Click “Enroll”.
 4. Follow the instructions to complete the form to enter and enroll your “Dependent Spouse/Partner” and/or “Dependent Children”.

You must purchase dependent insurance for the same coverage period as your own coverage; it can't be for a longer or shorter period than your own. For example, if you enroll for fall coverage, your dependents need to be enrolled for fall coverage; you wouldn't be able to enroll them for annual coverage. If you enroll for fall coverage and do not enroll your dependents at that time, you cannot enroll your dependents unless a qualifying event occurs.

Q Can I enroll my dependents outside of the open enrollment period?

A No, this is a voluntary program so you must enroll in coverage before the enrollment deadlines listed in the rate table. A Petition to Add Form cannot be submitted for domestic students.

Q Once enrolled, can I cancel? Get a refund?

A Once you're enrolled in SHIP, you will remain enrolled in it for that coverage period. You have no option to terminate coverage unless you enter the armed forces. In that case we will refund, or your student account will be credited, a pro-rated share of your premium. If you are an international student who is withdrawing or graduating from your school and returning to your home country, you may qualify for a refund of premium.

About My Benefits

Q What do my benefits include?

A. Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other Injury.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

It pays for 70% of your medical fees when you use In-Network providers. This is the advantage to using in-network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. You will also be responsible for paying any deductibles and applicable office visit and prescription drug copayments.

- It has a \$500 per Insured, per policy year deductible for In-Network services and a \$1000 per Insured, per policy year deductible for Out-of-Network services.

- Prescription drugs are covered for a 30-day supply after a:
 - \$20 copay for a Tier-1 drug
 - \$50 copay for a Tier-2 drug
 - \$75 copay for a Tier-3 drug.

Note: in some cases, prescription drugs may have a supply or quantity limit or require your doctor to get a Prior Authorization before you can pick-up your prescription. You can see review your plans' pharmacy list or formulary by visiting your school's page at www.gallagherstudent.com/lsu-batonrouge.

Q How can I get more information about my plan?

A Go to: www.gallagherstudent.com/lsu-batonrouge.

Q Do I need a referral from my school's Health Services to see an off-campus health provider?

A Yes, you need a referral before you see an off-campus provider. Without one, your health benefits could be denied or reduced. To see how referrals works and any exceptions to the referral process, check out your SHIP brochure.

Q Does my SHIP plan include dental and/or vision insurance?

A If you're 18 or younger, SHIP provides preventive dental and vision benefits as required by the Affordable Care Act. The same is true for your eligible and enrolled dependents. Refer to your SHIP brochure or certificate of coverage for details.

For other dental and vision options, see "Are there other products and services available to me?"

Q Am I still covered if I live off campus? While traveling? When studying abroad?

A Yes, your plan covers you wherever you are. As long as you're enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact UnitedHealthcare Global Toll-free at 1-800-527-0218 within the United States; or, collect at 1-410-453-6330 from outside of the United States before making arrangements on your own. Otherwise these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Q Am I still covered after I graduate?

- A. You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You may be able to purchase a continuation plan. To learn more, go to www.gallagherstudent.com/l-su-batonrouge.

Q How does the ACA affect my SHIP?

- A. Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

Q What other services available to me through my SHIP?

- A. The following services are included and complement your SHIP program:
- **Basix Dental Savings** — an exclusive network of providers provides discounts on dental services from routine care to major dental work and can save you 20% to 50% off the cost of dental care.
 - **EyeMed Vision** — through this program you can receive discounted services for eye exams, glasses or contact lenses at participating EyeMed providers. You can use your EyeMed discounts as often as you like.
