How do I login to waive (opt out) of SHIP?

1. Go directly to the college’s website, www.massasoit.mass.edu.
2. Sign into your ‘MyMassasoit’ account.
3. Locate the Student Financial Services card and click on “Complete a Health Insurance Form”.
4. If you want to waive the student health insurance plan, please complete the waiver by the deadline on your school website or you may be enrolled and billed for the student health insurance plan.

NOTE: You will need the information on your current health insurance card.

How do I enroll?

All full-time students registered for nine or more credit hours are automatically billed for the Student Health Insurance Plan unless proof of comparable coverage is received by the published deadline. This includes students enrolled in day or evening classes.

Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence, and online courses do not fulfill this requirement.

How do I enroll my dependents?

This plan does not offer coverage for your dependents

If I waive, but then lose my coverage, can I enroll in SHIP if I lose coverage?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.

To initiate the Qualifying Life Event process:

1. Send an email to Gallagher Student Health Enrollment: **Quincy.BSD.enrollmentteam@AJG.com**

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you are enrolled in annual coverage, you may only request coverage termination — and a pro-rated premium refund/credit — in the following situations:

- You're entering the armed forces.
- You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.
- You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children's Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).

If you meet any of the criteria outlined above you may submit a request to terminate coverage. Requests need to be submitted to Gallagher Student Health & Special Risk **no later than the last day of fall coverage, December 31, 2025.**

To terminate coverage:

- Send an email to Gallagher Student Health Enrollment: Quincy.BSD.enrollmentteam@AJG.com or call Customer Service at **(877) 320-4738**

Where can I get more information about my plan?

1. Go to www.gallagherstudent.com/massasoit or visit www.bluecrossma.org

How much does my student health insurance cost?

See chart below:

	Annual Coverage Period (09/01/2025 – 08/31/2026)	Spring/Summer Coverage Period (01/01/2026 – 08/31/2026)
Student Only	$4,379	$2,919

Have changes been made to this year's plan?

Here are the changes made for the 2025 - 2026 Policy Year:

- Increase In-Network deductible from $250 to $350 and Out-of-Network from $500 to $750
- Increase In-Network OOP maximum from $4,000 to $6,000 and Out-of-Network from $6,000 to $12,000

Am I still covered while traveling? When studying abroad?

Yes, your plan covers you wherever you are. If you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24-Hour Worldwide Travel Assistance, which includes services ranging from a lost passport to helping with emergency medical assistance or arranging emergency medical evacuation or repatriation of remains. It's important to contact GeoBlue at 1-844-268-2686 before making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.
