1. Go to www.gallagherstudent.com/mwcc.
2. First Time Users: Under “Profile”, click SIGN UP and complete the registration process.

ENROLLING IN MY SHIP

Am I eligible for student health insurance?

All full-time students registered for nine or more credit hours are automatically billed for the Student Health Insurance Plan unless proof of comparable coverage is received by the published deadline. This includes students enrolled in day or evening classes.

Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence, and online courses do not fulfill this requirement.

How do I enroll my dependents?

This plan does not offer coverage for your dependents.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you are enrolled in annual coverage, you may only request coverage termination (and a pro-rated premium refund/credit) in the following situations:

- You are entering the armed forces.
- You will not be enrolled at school for the spring semester for any reason. Your status will be confirmed with your school.
- You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector or in MassHealth (excluding MassHealth Limited, Health Safety Net or the Children’s Medical Security Plan). Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester). Your request to terminate coverage needs to be submitted to Gallagher Student Health & Special Risk no later than the last day of fall coverage.

WAIVING THE SHIP COVERAGE

Am I eligible to waive?

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements. Waiver requirements include being enrolled in a health insurance plan that is fully-compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and to have coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state Medicaid plan, your coverage will likely be limited—or not available—outside of your plan's service area and will not meet your school's waiver requirements.

What should I know before waiving?

Before waiving coverage, review your current policy and then consider these questions:

- Is your plan fully-compliant with the ACA? This means services should include, but aren't limited to:
 - Preventive and non-urgent care (this includes most immunizations)
 - Prescription drugs
 - Emergency care
 - Mental health and substance abuse treatment
 - Surgical care
 - Inpatient and outpatient hospitalization
 - Lab work
 - Diagnostic x-rays
 - Physical therapy and Chiropractic Care
 - Immediate coverage for pre-existing conditions
 - No annual maximum benefits
- Does your plan's provider network have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?
- Is the annual cost of your SHIP less expensive than the deductible of your private plan? The cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

If you do not complete a waiver form by the published deadline, you will be automatically enrolled in and billed for your SHIP.

If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

For more information about the ACA, visit: <https://www.hhs.gov/healthcare/about-the-aca/index.htm>.

What is comparable coverage?

Comparable coverage means your health insurance plan needs to meet your school's waiver requirements, which may include being fully-compliant with all provisions of the Affordable Care Act (ACA). See "What should I know before Waiving?"

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans
- Plans from insurance companies not located within the United States
- Prescription discount plans

How do I waive health insurance coverage?

1. Go to www.gallagherstudent.com/mwcc.
2. Follow the login Instructions.
3. Click "Waive".

Will you audit or verify my waiver request?

No, we will not verify the information provided on your waiver. It is your responsibility to review the SHIP material to be sure your health insurance plan meets your school's waiver requirements. However, if you are covered by an out-of-state Medicaid plan or an international plan, your request to waive may be denied as this plan will only cover you for emergency situations outside of the plan's service area. ***If you elect to waive, you will be responsible for any medical expenses you incur.***

Can I edit my form after I've submitted it?

No, your waiver form cannot be edited after it's submitted.

Can I rescind my form after I've submitted it?

Yes, only if it's before your waiver/enrollment deadline of November 30, 2022.

1. Go to www.gallagherstudent.com/mwcc
2. Follow the login Instructions.
3. Navigate to "Account Details".
4. Click "[Click here to rescind your waiver](#)".
5. Click "Rescind My Waiver".

NOTE: Once waiver is rescinded, this action cannot be reversed.

May I use one of my state's health insurance plans to waive my SHIP?

If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you'll have In-Network providers near your campus.

NOTE: Are you an international student? You typically aren't eligible to purchase a subsidized marketplace plan or a state's Medicaid plan may jeopardize your visa status.

If I waive, but then lose my coverage, can I enroll in SHIP?

If you waive SHIP and then lose coverage, you are able to enroll in the plan that you waived. Losing coverage is categorized as a Qualifying Life Event (QLE). Other QLE's are:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce
- Involuntary loss of coverage from another health insurance plan

To initiate the Qualifying Life Event process:

1. Go to www.gallagherstudent.com/mwcc.
2. Follow the Login instructions.
3. Click on "Enroll-Qualifying Life Event"
4. Complete the online form, and upload the required supporting document such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

NOTE: Do read the form carefully as it contains very specific information on the Qualifying Life Event process.

For other dental options, see "What other insurance products are available to students?"

Am I still covered if I live off campus? While traveling? When studying abroad?

Yes, your plan covers you wherever you are. As long as you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact Gallagher Global Assistance at 1-866-693-6873 before making arrangements on your own. Otherwise these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.

How does the ACA affect my SHIP?

Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.
