

The Affordable Way to Protect Your Most Valuable Asset – Your Health!

Staying healthy is one of the most important things you can do for yourself. When facing a health problem that may come up while you are at college, not getting the care you need due to lack of insurance or high out-of-pocket costs may turn into a roadblock in achieving your academic goals. Student Health Insurance ensures you have coverage for the unexpected, preventive care services and access to the medical services available on-campus, near campus and anywhere that you may live or travel.

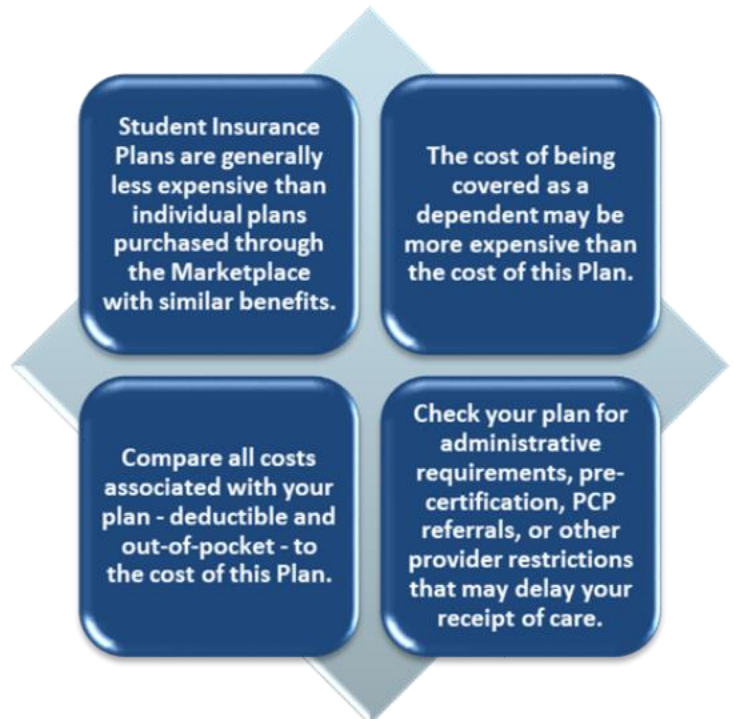

All full and part-time International students (except those on H1b visas) will be automatically enrolled in the annual plan and will be billed each semester. International students with adequate coverage can waive out of the Aetna plan by completing the online waiver form. Domestic students do not need to waive, but can voluntarily enroll. Please review the general summary of benefits on the back of this page to assist you in determining if your current plan is comparable.
