

2022–2023 Student Health Insurance Plan for Texas Wesleyan University

Who is eligible to enroll?

All domestic undergraduates taking six or more credit hours (three in the summer), all domestic graduate students taking three or more credit hours and all domestic GPNA's (Graduate Program of Nurse Anesthesia), Education and Clinical Teaching Program, Counseling, and Family Nurse Practitioner Program students taking at least one credit hour are eligible to enroll in this insurance plan on a voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Insured students and their covered Dependents; age restrictions may apply. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a service fee before being connected to a board-certified physician.
