- Students in the College of Graduate Studies, Medical Students, Practical Training Students and Post-Doctoral Visiting Scholars are also eligible to enroll subject to the insurance requirements as outlined by the University.
- Supported Graduate Assistants and Research Assistants who meet specified criteria will have their enrollment completed and premiums paid by the College of Graduate Studies.
- Only full-time students (as defined by their College of Studies) will be eligible to participate. Part-time students are not eligible for coverage.
- Credit hour requirement can be met by a combination of online and on campus credit hours, not to exceed 50% online. As a result of students needing to study remotely due to COVID-19, online credit hours can exceed 50% for the Fall Semester.

Insurance Plan Benefits

What benefits does your SHIP provide?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a variety of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs

It covers preventive care services at no cost when you use in-network providers. This includes routine physicals and examinations, screenings, GYN examinations, and most immunizations.

It pays for 80% of your medical fees when you use in-network providers. This is the advantage to using in-network providers. When you use out-of-network providers the coinsurance is less which means your potential out-of-pocket costs are more. There may be copayments and deductibles you’ll be responsible for paying.

Do I need a referral from my school's Health Services to see an off-campus health provider?

No, you don't need a referral. However, seeking care or advice first from UCF Student Health Services is a good idea, since they can connect you with valuable on-campus services or refer you to providers they know off-campus. For more information, visit your school's Health Services website www.studenthealth.ucf.edu.

Am I still covered if I live off campus or I'm traveling or studying abroad?

Yes, your plan covers you wherever you are - during semester breaks and summer vacation. This is true even if you're traveling or studying abroad. As long as you're enrolled in SHIP and you paid your premiums, you'll be covered.

More information about off-campus, travel and study abroad

In addition to being covered for medical treatment and services, your plan also offers 24-hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact UnitedHealthcare Global to make the arrangements for you, so contact them before making arrangements on your own. If you don't contact them first, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address, and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

This FAQ is a summary only. It does not include all benefits, restrictions, and exclusions in your SHIP. Please refer to "My Benefits and Plan Information" on the plan website for full details.

“How do I...?”

Does my plan still cover me after I graduate?

Yes. You will be covered under your SHIP until the end of the policy period for which you are enrolled and have paid your premium. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year.

There is a three month Continuation Plan option for Hard Waiver Students to continue coverage after the policy terminates. The Continuation Plan application is located on www.gallagherstudent.com/UCF under “Forms and Applications”.

Enrollment

Can I enroll my eligible dependents?

Yes, you can enroll your eligible dependent(s) by going to www.gallagherstudent.com/UCF and clicking on “Dependent Enroll”.

Note: You must purchase dependent insurance for the same time period as your own coverage. It can't be for a longer or shorter period than your own. For example, if you enroll for annual coverage, you can't limit your dependent's insurance to only the spring semester unless a qualifying event occurs.

Qualifying events for enrolling your dependents

You can add eligible dependent(s) if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

In such cases, you must submit a Dependent Petition to Add Form, supporting documentation, and payment to Gallagher Student Health & Special Risk within 31 days the event. If approved, your coverage will start on the date of the qualifying event. Requests received after 31 days will not be processed.

Note: Your premium is prorated. Once your dependent is enrolled, you can't terminate coverage unless you lose your Student Health Insurance eligibility.

How do recent changes to the Affordable Care Act affect my SHIP?

Your SHIP fully complies with the Affordable Care Act (ACA). Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group

This FAQ is a summary only. It does not include all benefits, restrictions, and exclusions in your SHIP. Please refer to “My Benefits and Plan Information” on the plan website for full details.

“How do I...?”

health insurance plan. Contact that plan for more information.

Once I'm enrolled in the SHIP, can I cancel it? Can I get a refund?
