Student Coverage

Eligibility

All Brooklyn Law School Students and Exchange students are automatically enrolled in the Student Health Insurance Plan and will remain enrolled, unless proof of comparable coverage is provided prior to the waiver deadline.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Waiver/Enrollment Process

For students who want to document proof of comparable coverage:

1. Go to www.gallagherstudent.com/BrooklynLaw.
2. Under "Profile," click "Log In" and enter your student login credentials.
3. Click on the 'ENROLL' button or 'WAIVE' button under 'Plan Summary'.
4. Complete and submit the form by following the instructions.
5. A reference number will be emailed upon submission.

When waiving the insurance, have your current insurance plan I.D. card ready as you will need this information in order to complete the waiver form. After completing your online form, you will be asked to review your information and click "Submit." Immediately upon submitting your online form, you will receive a **reference number**. You must save this **reference number** and print a copy of the confirmation for your records. The online process is the only accepted process for enrolling or waiving coverage.

Brooklyn Law School reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

Enrollment/Waiver Deadline

| Enrollment/Waiver Deadlines | |
|-----------------------------|------------------|
| Annual | August 19, 2024 |
| Spring/Summer | January 31, 2025 |

Students who waive the Student Health Insurance Plan in the Fall, waive coverage for the entire policy year. Exchange Students and incoming LLM students who do not submit the Online Waiver Form by the deadline will be enrolled in and billed for the Student Health Insurance Plan. The bill will appear on your student account.

Students who did not enroll in the fall for the annual coverage can only enroll in the Plan if they lose their health insurance coverage. Students who have lost their coverage must complete a Qualifying Life Event Enrollment Form, which can be completed at www.gallagherstudent.com/brooklynlaw. Only students who are newly enrolled at Brooklyn Law School have the option to enroll in the Student Health Insurance Plan for the spring semester.

Participating Providers

Aetna Student Health offers Aetna's broad network of Participating Providers. You can save money by seeing Participating Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better, your out-of-pocket expenses will generally be lower when You receive benefits from a Participating Provider, and some benefits under the Plan may only be covered when received from a Participating Provider.

If you need care that is covered under the Plan but not available from a Participating Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from a Non- Participating Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for Participating Providers.

Pre-authorization

Some services have to be preauthorized by Aetna beforehand if you want the Plan to cover them. Participating Providers are responsible for requesting pre-authorization for their services. You are responsible for requesting pre-authorization if you seek care from a Non-Participating Provider for any of the services listed in the Schedule of Benefits section of the Certificate. Pre-authorization is not required for Participating facilities certified by the New York office of alcoholism and substance abuse services.

If you want the Plan to cover a service from a Non-Participating Provider that requires pre-authorization, you must call Aetna at the number on your ID card. After Aetna receives a request for pre-authorization, we will review the reasons for your planned treatment and determine if benefits are available.

You must contact Aetna to request pre-authorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when your provider recommends inpatient hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when your provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a hospital or in an ambulatory surgical center.
- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if your hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-emergency condition.

You must also contact Aetna to provide notification after the fact as follows:

- As soon as reasonably possible when air ambulance services are rendered for an emergency condition.
- If you are hospitalized in cases of an emergency condition, you must call Aetna within 48 hours after your admission or as soon thereafter as reasonably possible.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <https://www.aetnastudenthealth.com>.

All coverage is based on the **Allowed Amount**.

“Allowed Amount” means the maximum amount Aetna will pay for the services or supplies covered under the certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted.

- The Allowed Amount for Non-Participating Providers will be determined as follows:
Facilities -For Facilities, the Allowed Amount will be 140% of an amount based on cost information from the Centers for Medicare and Medicaid Services.
- **For All Other Providers**-For all other Providers, the Allowed Amount will be 105% of an amount based on cost information from the Centers for Medicare and Medicaid Services.

Our Allowed Amount is not based on the “usual, customary and reasonable charge.” If a Non-Participating Provider’s actual charge is more than the Allowed Amount, you are responsible for the difference. Call us at the number on your ID card or visit <https://www.aetnastudenthealth.com> for information on your financial responsibility when you receive services from a Non-Participating Provider.

This Plan will pay benefits in accordance with any applicable **New York** Insurance Law(s).
