CVS Virtual Care®

From everyday illnesses and chronic conditions to mental health support, we've got your back. Once you tell us what you need, we'll connect you with trusted, in-network providers so you can schedule a virtual visit. Most mental health visits are available within two weeks. You can access 24/7 care through our virtual clinic. General Care: 100% coverage. Behavioral Health: See the schedule of benefits for more information. Go to CVS.com/virtual-care to register and schedule an appointment.

Who is eligible

As a condition of enrollment, the University of La Verne (ULV) requires Students to participate in the Student Health Insurance Program (SHIP). This requirement protects against unexpectedly high medical costs and provides access to quality care. The University will charge a SHIP fee to participating Students, unless the student "waives out" by completing a waiver that is approved based on the requirements listed in this policy. Where a waiver has been approved, it is the student's affirmative responsibility to always maintain the alternate health insurance coverage while enrolled at the University.

NOTE: The Student Health Insurance Program (SHIP) fees and process are different from the Wellness Fee (non-waivable).

Required Groups

The following Students will be charged a SHIP fee unless they provide a qualified waiver:

- “Traditional” degree-seeking undergraduate domestic students enrolled in 12 credit hours or more during a semester.
- Graduate and undergraduate students holding F-1 or J-1 visas (i.e., International Students), enrolled in at least 1 credit hour or more during a semester.

Exempt Groups

- “Traditional” degree-seeking undergraduate domestic students enrolled in less than 12 credit hours during a semester.
- Degree-seeking undergraduate domestic students enrolled in a Regional and Online Campus or the Campus Accelerated Program (i.e., “Adult” Students).
- Degree-seeking graduate domestic students.

Exempted degree-seeking students enrolled in at least 3 credit hours per semester/term are eligible to voluntarily purchase the SHIP and will have the appropriate fee placed on their Student Account.

Non-degree-seeking students are exempt from this requirement and are not eligible to participate in SHIP.

Coverage Dates and Rates

Coverage for all insured students will become effective at 12:01 AM on the Coverage Start Date indicated below and will terminate at 11:59 PM on the Coverage End Date indicated.

The rates below include premiums for the Plan underwritten by Aetna Life Insurance Company (Aetna).

Enrollment

To enroll online or obtain an enrollment application for voluntary coverage, log on to

<https://www.gallagherstudent.com/laverne> and search for your school, then click on Enroll to download the appropriate form.

Waiving Out of SHIP

Students can “waive out” of SHIP by providing proof of insurance that is Affordable Care Act (ACA) compliant and meets the criteria listed.

- Students can “waive out” of the SHIP each academic semester during the Waiver/Enrollment period. Students who cannot waive during the Waiver/Enrollment period will be required to have SHIP for the full semester.
- International Students whose first semester/term of enrollment for that academic year is Fall Session II, Spring Session II, and Summer can waive during the corresponding waiver period.
- “Traditional” degree-seeking undergraduate domestic students enrolled in 12 or more credit hours whose first term of academic year is Fall Session II, Spring Session II, or Summer will not be enrolled or required to waive coverage during that initial session. Instead, they must enroll or submit a waiver during their next full term of enrollment (i.e., the full Fall or Spring semester).
- Students whose first semester/term of enrollment for that academic year is Fall Session II, Spring Session II, and Summer can waive during the corresponding waiver period.
- Waiver requests MUST be submitted during the open waiver/enrollment periods. Waiver requests made after the open waiver/enrollment period ends will not be approved, and the charge for the SHIP will remain on the Student Account.
- Students can waive out of SHIP by submitting Insurance information at <https://www.gallagherstudent.com/laverne>

Insurance information submitted as part of the waiver process will be reviewed for compliance. Students whose insurance is not in compliance will be informed and will have the SHIP charge remain on their student account.

NOTE: Students need to have an active full-time enrollment (12 units) for the upcoming semester/term to submit waivers for that semester.

A Step-by-Step guide on submitting a waiver is available.

For questions regarding the waive-out process contact Gallagher at **(833) 866-8931**.

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Termination and Refunds

Withdrawal from Classes – Leave of Absence

If you withdraw from classes under a school-approved leave of absence, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.

School Withdrawal

All Students who withdraw from school are NOT eligible to purchase the University-endorsed health insurance plan. Students who withdraw before the end of the add/drop period will have their SHIP backed out and will not be covered by the SHIP. Students who withdraw after the add/drop period will not have their charges backed out and will be covered by the SHIP for the rest of that particular semester

Termination of coverage

Starting July 1, 2026, if a student graduates, takes a leave of absence, or is no longer enrolled in classes, they may request to terminate their student health insurance coverage during the policy year. The request must be made to Gallagher Student Health at least 30 days before the desired termination date. Upon receipt, coverage will be terminated within the same calendar month if feasible, but no later than the last day of the month in which the 30-day period ends. When a student chooses to terminate coverage under these circumstances, they are only responsible for premium payments up to the termination date. If a premium was paid in full for an academic term, the member will receive a pro rata refund for any unused coverage. Student Accounts will refund students for any period they are not covered, in accordance with applicable state law and this policy. Refunds may take 5-10 business days to process.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some covered services. Pre-approval is also called precertification. Your in-network physician is responsible for obtaining any necessary precertification before you get the care. [When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify when required, there will be up to a \$500 penalty for each type of covered service that was not precertified. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to www.aetna.com.

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. You, your physician or the facility must call us within these timelines:

Non-emergency admissions	Call at least 14 days before the date you are scheduled to be admitted.
Emergency admission	Call within 48 hours or as soon as reasonably possible after you have been admitted.
Urgent admission	Call before you are scheduled to be admitted.
Outpatient non-emergency medical services	Call at least 14 days before the care is provided, or the treatment is scheduled

An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.

We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 60 days as long as you remain enrolled in the plan.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <https://www.aetnastudenthealth.com>.

This Plan will pay benefits in accordance with any applicable **California** Insurance Law(s).

You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on the back of your ID card, and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill. - A separate emergency room copayment/coinsurance will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply. - Covered services that are applied to the emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered services under the plan cannot be applied to the emergency room copayment/coinsurance. - Separate copayment/coinsurance amounts may apply for certain services given to you in the emergency room that are not part of the emergency room benefit. These copayment/coinsurance amounts may be different from the emergency room copayment/coinsurance.
