

Day. Night. **Whenever.**

Talk to a doctor 24/7 so you can get back to class faster.

Download the
Teladoc
app today.
🍏 | 🤖

With classes, studying, tests, and friends, you don't have time to get sick. The good news is that Teladoc helps you faster with access to doctors by phone or video 24/7. You'll be back to acing tests in no time.

“I'm so glad I had access to Teladoc my freshman year. started to get this nagging cough right before midterms. Within 48 hours of speaking with a doctor, I felt normal again and ready for my exams.”
—Ben
