## Schedule of benefits

---

This schedule of benefits lists the **policy year deductibles, copayments** and **coinsurance** that apply to the services you receive under this plan. You should review this schedule of benefits to become familiar with your **policy year deductibles, copayments** and **coinsurance** and any limits that apply to the services and supplies.

### How to read your schedule of benefits

- When we say:
  - “In-network coverage”, we mean you get care from our **in-network providers**.
  - “Out-of-network coverage”, we mean you can get care from **out-of-network providers**.
- The **policy year deductibles, copayments** and **coinsurance** listed in the schedule of benefits below reflect the **policy year deductibles** and **copayment** and **coinsurance** amounts under your plan.
- The **coinsurance** listed in the schedule of benefits reflects the plan **coinsurance** percentage. This is the **coinsurance** amount that the plan pays. You are responsible for paying any remaining **coinsurance**.
- You are responsible for paying any **policy year deductibles, copayments**, and your **coinsurance**.
- You are responsible for full payment of any health care services you receive that are not **covered benefits**.
- This plan has maximums for specific **covered benefits**. For example, these could be visit, day or dollar maximums. They are combined maximums for **in-network providers** and **out-of-network providers** unless we state otherwise.
- At the end of this schedule of benefits you will find detailed explanations about your:
  - **Policy year deductibles**
  - **Copayments**
  - Maximums
  - **Coinsurance**
  - **Maximum out-of-pocket limits**

### Important note:

All **covered benefits** are subject to the **policy year deductible, copayment** and **coinsurance** unless otherwise noted in the schedule of benefits below.

**Important note about your cost sharing:**

The way the cost sharing works under this plan, you pay the **policy year deductible** first. Then you pay your **copayment** and then you pay your **coinsurance**. Your **copayment** does not apply towards any **policy year deductible**.

You are required to pay the **policy year deductible** before **eligible health services** are **covered benefits** under the plan, and then you pay your **copayment** and **coinsurance**.

Here’s an example of how cost sharing works:

<b>You pay your policy year deductible</b>	<b>Your physician charges</b>	<b>Your physician collects the copayment from you</b>	<b>The plan pays 80% coinsurance</b>	<b>You pay 20% coinsurance</b>
\$1,000	\$120	\$20	\$80	\$20

<b>Plan features</b>	<b>In-network coverage*</b>	<b>Out-of-network coverage*</b>
<b>Policy year deductibles</b>

**General coverage provisions**

This section provides detailed explanations about the:

- **Policy year deductibles**
- **Copayments**
- **Maximums**
- **Coinsurance**
- **Maximum out-of-pocket limits**

that are listed in the first part of this schedule of benefits.

<p><b>Policy year deductible provisions</b></p>
<p><b>Eligible health services</b> that are subject to the <b>policy year deductible</b> include <b>covered benefits</b> provided under the medical plan and outpatient <b>prescription drug</b> benefits provided under the <b>prescription drug</b> benefit.</p>
<p><b>Eligible health services</b> applied to the out-of-network <b>policy year deductibles</b> will not be applied to satisfy the in-network <b>policy year deductibles</b>. <b>Eligible health services</b> applied to the in-network <b>policy year deductibles</b> will not be applied to satisfy the out-of-network <b>policy year deductibles</b>.</p>
<p>The in-network and out-of-network <b>policy year deductible</b> may not apply to certain <b>eligible health services</b>. You must pay any applicable <b>copayments</b> for <b>eligible health services</b> to which the <b>policy year deductible</b> does not apply.</p>
<p><b>Individual</b>            This is the amount you owe for in-network and out-of-network <b>eligible health services</b> each <b>policy year</b> before the plan begins to pay for <b>eligible health services</b>. See the <i>Policy year deductibles</i> provision at the beginning of this schedule for any exceptions to this general rule. This <b>policy year deductible</b> applies separately to you. After the amount you pay for <b>eligible health services</b> reaches the <b>policy year deductible</b>, this plan will begin to pay for <b>eligible health services</b> for the rest of the <b>policy year</b>.</p>
<p><b>Copayments</b></p>
<p><b>In-network coverage</b>            This is a specified dollar amount or percentage that must be paid by you when you receive <b>eligible health services</b> from an <b>in-network provider</b>. If <b>Aetna</b> compensates <b>in-network providers</b> on the basis of the <b>negotiated charge</b> amount, your percentage <b>copayment</b> is based on this amount.</p>
<p><b>Out-of-network coverage</b>            This is a specified dollar amount or percentage that must be paid by you when you receive <b>eligible health services</b> from an <b>out-of-network provider</b>. If <b>Aetna</b> compensates <b>out-of-network providers</b> on the basis of the <b>recognized charge</b> amount, your percentage <b>copayment</b> is based on this amount.</p>

\*See the *How to read your schedule of benefits, Important note about your cost sharing and Important notices* sections of this schedule of benefits.

<p><b>Coinsurance</b></p> <p><b>Coinsurance</b> is both the percentage of <b>eligible health services</b> that the plan pays and what you pay. The specific percentage that we have to pay for <b>eligible health services</b> is listed earlier in the schedule of benefits. <b>Coinsurance</b> is not a <b>copayment</b>.</p>
<p><b>Maximum out-of-pocket limits provisions</b></p> <p><b>Eligible health services</b> that are subject to the <b>maximum out-of-pocket limits</b> include <b>covered benefits</b> provided under the medical plan and outpatient <b>prescription drug</b> benefits provided under the <b>prescription drug</b> benefit.</p> <p><b>Eligible health services</b> applied to the out-of-network <b>maximum out-of-pocket limit</b> will not be applied to satisfy the in-network <b>maximum out-of-pocket limit</b> and <b>eligible health services</b> applied to the in-network <b>maximum out-of-pocket limit</b> will not be applied to satisfy the out-of-network <b>maximum out-of-pocket limit</b>.</p> <p>The <b>maximum out-of-pocket limit</b> is the maximum amount you are responsible to pay for <b>copayments, coinsurance</b> and <b>policy year deductibles</b> for <b>eligible health services</b> during the <b>policy year</b>. This plan has an individual <b>maximum-out-of-pocket limit</b>.</p> <p><b>Individual</b></p> <p>Once the amount of the <b>copayments, coinsurance</b> and <b>policy year deductibles</b> you have paid for <b>eligible health services</b> during the <b>policy year</b> meets the individual <b>maximum out-of-pocket limits</b>, this plan will pay:</p> <ul style="list-style-type: none"> <li>• 100% of the <b>negotiated charge</b> for in-network <b>covered benefits</b></li> <li>• 100% of the <b>recognized charge</b> for out-of-network <b>covered benefits</b></li> </ul> <p>that apply towards the limits for the rest of the <b>policy year</b> for that person.</p>
<p><b>Medical and Outpatient Prescription Drugs</b></p> <p><b>In-network care</b></p> <p>Costs that you incur that do not apply to your in-network <b>maximum out-of-pocket limits</b>. Certain costs that you incur do not apply toward the <b>maximum out-of-pocket limit</b>. These include:</p> <ul style="list-style-type: none"> <li>• All costs for non-covered services</li> </ul>
<p><b>Calculations; determination of recognized charge; determination of benefits provisions</b></p> <p>Your financial responsibility for the costs of services will be calculated on the basis of when the service or supply is provided, not when payment is made. Benefits will be pro-rated to account for treatment or portions of <b>stays</b> that occur in more than one <b>policy year</b>. Determinations regarding when benefits are covered are subject to the terms and conditions of the certificate of coverage.</p>
