Getting Started

Enrolling in the Student Health Insurance Plan

Am I eligible for student health insurance?

All students registered for 1 or more credit hours (**Law School**), are eligible for the insurance. Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence and online courses do not fulfill this requirement.

How do I review my enrollment?

Law School students with 1 or more credits are already enrolled and no action is needed.
To review enrollment:

1. Go to <https://www.gallagherstudent.com/LMU>
2. Follow the login Instructions.
3. View “Account Details” found on the lower left side of landing page.

How do I enroll my dependents?

This plan does not offer coverage for your dependents.

Am I eligible to waive?

To be eligible to waive the student health insurance plan, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements. Waiver requirements include being enrolled in a health insurance plan that is fully compliant with all provisions of the Affordable Care Act (ACA), requires you to have access to providers near campus and coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO or Medicaid plan, your coverage will likely be limited — or unavailable — outside of your state's service area and will not meet your school's waiver requirements. **If a claim is submitted before you have an approved waiver, you will remain enrolled in the plan.**

How do I waive health insurance coverage?

1. Go to <https://www.gallagherstudent.com/LMU>
2. Follow the login Instructions.
3. Click “Waive”.
4. You will need your health insurance information.

5. Follow the instructions to complete the form.

A reference number will be emailed upon submission, however final determination may take 24-48 hours.

You will need to submit a waiver for both the Fall and Spring coverage period.

Can I cancel my waiver form after I've submitted it?

Yes, but only if it's before the **August 29, 2025** waiver deadline.

1. Go to <https://www.gallagherstudent.com/LMU>
2. Follow the login instructions.
3. Navigate to "Account Details."
4. Click "Click Here to Rescind Your Waiver."
5. Click "Rescind My Waiver."

Note: Once waiver is cancelled, this action cannot be reversed. **You may not edit your form after August 29, 2025.**

If I waive, but then lose my coverage, can I enroll in the student health insurance plan?

If you waive the student health insurance plan and then lose coverage, you are able to enroll in the plan that you waived. Losing coverage is categorized as a Qualifying Life Event (QLE). Other QLE's are:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce
- Involuntary loss of coverage from another health insurance plan

To initiate the Qualifying Life Event process:

1. Go to <https://www.gallagherstudent.com/LMU>.
2. Follow the Login instructions.
3. Click on "Enroll-Qualifying Life Event"
4. Complete the online form, and upload the required supporting document such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

NOTE: Do read the form carefully as it contains very specific information on the Qualifying Life Event process.

If your enrollment in the student health insurance plan is on a voluntary basis, there is no option for the Qualifying Life Event process if you lose coverage with your current health insurance plan.

Once enrolled, can I cancel? Get a refund?

Once you are enrolled in the student health insurance plan, you will remain enrolled for that coverage period. If you miss the fall waiver period, you may submit a request to waive or terminate spring coverage. If we approve your request, a credit for the spring semester premium will be applied to your student account or you will not be charged

the spring premium. If you are an international student who is withdrawing or graduating from your school and returning to your home country, you may qualify for a pro-rated refund of premium.

If you are an international student withdrawing or graduating from your school and returning to your home country, you may qualify for a refund of premium.

How can I get more information about my plan?

Go to <https://www.gallagherstudent.com/LMU>

Have changes been made to this year's plan?

There are no benefit changes to the 2025/2026 plan.

Am I still covered if I live off campus? While traveling? When studying abroad?

Yes, your plan covers you wherever you are. As long as you are enrolled in the student health insurance plan and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact **On Call International** before making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your student health insurance plan ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your student health insurance plan until the end of the policy period for which you are enrolled in the student health insurance plan and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.

How do I enroll in Voluntary Dental or Vision Coverage?
