# Student Coverage

# Eligibility

All registered Loyola Law School Students taking at least 1 credit hour or more are eligible to enroll in this insurance plan.

Participation in Loyola Law School Student Health Insurance Plan is required for eligible students, unless they are covered under another comparable plan. Proof of comparable coverage, in accordance with your school's requirements, must be completed and returned to Loyola Law School each academic year by the enrollment deadlines.

All students enrolled at the university taking 1 credit hour or more, and who actively attend classes for at least the first 31 days after the date when coverage becomes effective, are required to have insurance. Home study, correspondence, Internet classes, and television (TV) courses do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

# Enrollment

Students are required to purchase the health insurance plan each policy year. Students may waive this plan if proof of comparable health insurance coverage that meets the school's waiver requirements is provided.

Loyola Law School students will be automatically enrolled and billed in the Student Health Insurance Plan unless a completed Waiver has been received by Loyola Law School along with proof of comparable health insurance coverage, by the specified enrollment deadline dates listed below.

Exception: A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, upon written request received by Aetna within 90 days of withdrawal from school.

Coverage Period	Waiver Deadline
Fall	08/29/2025
Spring	01/30/2026

**Important Note:** The LMU sponsored Aetna Insurance coverage is for one semester at a time (fall and spring). Therefore, if you wish to waive it, it must be waived for the fall and then again for the spring.

Instructions to Waive coverage:

- 1. Go to www.gallagherstudent.com/LMU
- 2. Click "Student Waive/Enroll".
- 3. Log in (if you haven't already) by following the instructions on the website.
- 4. Click the "I want to Enroll/Waive" button.
- 5. Follow the instructions to complete the form.
- 6. Save a copy of your reference number.

Waiver submissions may be audited by Loyola Law School, Gallagher Student Health, and/or their contractors or representatives. You may be required to provide, upon request, any coverage documents and/or other records demonstrating that you meet the school's requirements for waiving the student health insurance plan. By submitting the waiver request, you agree that your current insurance plan may be contacted for confirmation that your coverage is in force for the applicable policy year and that it meets the school's waiver requirements.

# **Medicare Eligibility Notice**

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

# Termination and Refunds Withdrawal from Classes – Leave of Absence

If you withdraw from classes under a school-approved leave of absence, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.

# Withdrawal from Classes – Other than Leave of Absence

- If you withdraw from classes within 31-days after the start date of classes, you will be considered ineligible for coverage. Your coverage will be terminated retroactively, and any premium paid will be refunded.
- If you withdraw from classes more than 31- days after the start date of classes, your coverage will remain in force through the end of the period for which premium payment has been received. No premium will be refunded.
- If you withdraw from classes to enter the armed forces of any country, your coverage will end as of the date of such entry. We will refund your premium, on a pro-rata basis, if you submit a written request within 90 days from the date you withdraw.

# Service area

Your plan generally pays for eligible health services only within a specific geographic area, called a service area. There are some exceptions, such as for emergency services, urgent care and transplants.

# Precertification

You do not need to obtain pre-certification for any services. However, your provider is required to obtain precertification for certain Preferred Care services. Refer to the Precertification provisions in the Coverage section of the Certificate of Coverage for a complete description of the precertification programs including the types of services, treatments, procedures, visits or supplies that require precertification. No penalty will be applied to you for a Preferred Care service that was not pre-certified.

# **Coordination of Benefits (COB)**

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

# **Description of Benefits**

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to **www.aetnastudenthealth.com**.

As out-of-network providers do not have a contract with us the provider may not accept payment of your contract.			

share, (copayment/coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed

on the back of your ID card, and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill.

- A separate emergency room copayment/coinsurance will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply.
- Covered benefits that are applied to the emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered benefits under the plan cannot be applied to the I emergency room copayment/coinsurance.
- Separate copayment/coinsurance amounts may apply for certain services given to you in the emergency room that are not part of the emergency room benefit. These copayment/coinsurance amounts may be different from the emergency room copayment/coinsurance. They are based on the specific service given to you.
- Services given to you in the emergency room that are not part of the emergency room benefit may be subject to copayment/coinsurance amounts that are different from the emergency room copayment/coinsurance amounts.
