Waiving SHIP Coverage

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets the requirements set forth in CA AB 594.

AB 594 requires institutions of higher education to grant a waiver from student health insurance coverage when a student demonstrates they have other qualifying health coverage.

A waiver may only be approved during enrollment if the student has **Minimum Essential Coverage (MEC)** that meets the requirements of the **Minimum Essential Coverage Individual Mandate (Section 100705)**.

Schools and insurers are prohibited from charging any fee or premium to a student when such a waiver is granted.

1. Go to <https://www.gallagherstudent.com/LMU>
2. Follow the login instructions.
3. Click on the "Waive" button under "Plan Summary."
4. You will need your health insurance information.

***Note:** Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.*

NOTE: You will need to submit a waiver for both the Fall and Spring coverage period.

Can I cancel my waiver form after I've submitted it?

Yes, but only if it's before the **September 25, 2026** fall waiver deadline. The spring deadline is **February 5, 2027**.

1. Go to <https://www.gallagherstudent.com/LMU>
2. Follow the login instructions.
3. Navigate to "Account Details."
4. Click "Click Here to Rescind Your Waiver."
5. Click "Rescind My Waiver."

***Note:** The waiver must be rescinded before September 25, 2026. If you have rescinded your waiver and are trying to undo the action you must call the GSH Customer Service Team for assistance at 833-882-3594.*

If I waive, but then lose my coverage, can I enroll in the student health insurance plan?

Yes, losing coverage is considered a Qualifying Life Event (QLE). Other QLEs include:

- Reaching the age limit of another health insurance plan.
- Loss of coverage due to marriage or divorce.
- Involuntary loss of coverage.

To initiate the Qualifying Life Event process:

1. Go to <https://www.gallagherstudent.com/LMU>.
2. Follow the Login instructions.
3. Click on "Enroll-Qualifying Life Event"
4. Complete the online form, and upload the required supporting document such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

NOTE: Do read the form carefully as it contains very specific information on the Qualifying Life Event process.

If your enrollment in the student health insurance plan is on a voluntary basis, there is no option for the Qualifying Life Event process if you lose coverage with your current health insurance plan.

Once enrolled, can I cancel? Get a refund?

A student may only request termination of coverage during the policy year for the following reasons:

- The student **graduates**,
- Takes an approved **leave of absence**, or
- Is **no longer enrolled** at the institution. When a qualifying termination occurs:
 - The student is responsible for premiums **only through the termination date**
 - If premium was paid in full for the term, the student must receive a **pro rata refund** for any period they are not covered
 - **Claims experience cannot be considered** when determining the refund amount

The Named Insured must request termination from the Policyholder at least 30 days before the effective date of the termination. The Policyholder shall terminate coverage during the same calendar month as the request, if feasible, but no later than the last day of the calendar month in which the 30-day period ends. The Named Insured is only responsible for premium through the date of termination. If the Named Insured has paid premium for the full Policy Year, they will receive a pro-rata refund for any time they are not enrolled under the plan.

To Request Termination of Coverage:

1. Visit <https://www.gallagherstudent.com/LMU> or scan the QR code above.
2. In the "Account Detail" tile under "Plan Summary," click the "**Termination of Coverage**" link.
3. Complete the termination form and select the appropriate termination reason from the list.

4. Submit the form.

If your request is approved, your coverage will terminate at the end of the month during which your request was received. Also, the prorated premium refund will be credited to your student account at the end of month.

Have changes been made to this year's plan?

There are no benefit changes to the 2026/2027 plan.

Am I still covered if I live off campus? While traveling? When studying abroad?

Yes, your plan covers you wherever you are. If you are enrolled in the student health insurance plan and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact **On Call International** before making arrangements on your own. Otherwise, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your student health insurance plan ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your student health insurance plan until the end of the policy period for which you are enrolled in the student health insurance plan and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
