Getting Started

Q Where can I learn about the Student Health Insurance Plan (SHIP)?

A Go to www.gallagherstudent.com/cuc.Pitzer.

Q How do I log in?

A 1. Go to www.gallagherstudent.com/cuc.Pitzer.
2. Follow the login instructions.

Enrolling in my SHIP

Q Am I eligible for student health insurance?

A. All domestic undergraduate students who pay registration fees and are matriculating toward a degree through Pitzer College.

All international undergraduate students (this includes non-student exchange visitors such as visiting faculty, scholars, and researchers) with a current passport or student visa (F-1, J-1, or M-1 visa) temporarily located outside the home country who have not been granted permanent residency status while engaged in full-time educational activities through Pitzer College.

Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the enrollment requirement. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Q How do I enroll?

A. 1. Go to www.gallagherstudent.com/cuc.Pitzer and log in.
2. Click the "ENROLL" button.
3. Follow the instructions to complete the form.

Q How do I enroll my dependents?

A 1. Go to www.gallagherstudent.com/cuc.Pitzer and log in.
2. Click the "ENROLL" button.
3. Follow the instructions to complete the form.

Q Once enrolled, can I cancel? Get a refund?

A Once you're enrolled in SHIP, you will remain enrolled in it for that coverage period. You have no option to terminate coverage unless you enter the armed forces. In that case we will refund, or your student account will be credited, a pro-rated share of your premium. If you are an international student who is withdrawing or graduating from your school and returning to your home country, you may qualify for a refund of premium.

Q Can I enroll my eligible dependents?

A Yes, you can enroll your eligible dependent(s) by going to www.gallagherstudent.com/cuc.Pitzer logging in, and clicking on the "ENROLL" button.

Note: You must purchase dependent insurance for the same coverage period as your own coverage; it can't be for a longer or shorter period than your own. For example, if you enroll for fall coverage, your dependents need to be enrolled for fall coverage; you wouldn't be able to enroll them for annual coverage. If you enroll for fall coverage and do not enroll your dependents at that time, you cannot enroll your dependents unless a qualifying event occurs.

Q Can I enroll my dependents outside of the open enrollment period?

A You can only add eligible dependent(s) outside of the enrollment period if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

In such cases, you must submit a Dependent Petition to Add form with supporting documentation and payment to Gallagher Student Health & Special Risk within 31 days of the qualifying event. If approved, coverage for your dependents will start on the date of the qualifying event. Your premium will be pro-rated. Requests received after 31 days will not be processed.

Note: Once your dependent is enrolled, you can't terminate dependent coverage unless you lose your Student Health Insurance eligibility.

Waiving SHIP

Q Am I eligible to waive?

A To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets your school's waiver requirements. Waiver requirements include being enrolled in a health insurance plan that meets the minimum essential benefits of the Affordable Care Act (ACA), requires you to have access to providers near campus and to have coverage for services beyond urgent and emergency services. Therefore, if you are enrolled in an out-of-state HMO, your coverage will likely be limited—or not available—outside of your HMO's service area and will not meet your school's waiver requirements.

Q What should I know before waiving?

A Before waiving coverage, review your current policy and then consider these questions:

- Is your plan fully-compliant with the (ACA)? This means services should include, but aren't limited to:
 - Preventive and non-urgent care (this includes most immunizations)
 - Prescription drugs
 - Emergency care
 - Mental health and substance abuse treatment
 - Surgical care
 - Inpatient and outpatient hospitalization
 - Lab work
 - Diagnostic x-rays
 - Physical therapy and Chiropractic Care
 - Immediate coverage for pre-existing conditions
 - No annual maximum benefits
- Does your plan's provider network have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?
- Is the annual cost of your SHIP less expensive than the deductible of your private plan? The cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

If you don't complete a decision/waiver form by the published deadline, you will be automatically enrolled in and billed for your SHIP.

If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

- For more information about the ACA, visit: <https://www.hhs.gov/healthcare/about-the-aca/index.htm>
- **Please note that if you are an International Student you may not waive coverage.**

Q What is comparable coverage?

A Comparable coverage means your health insurance plan needs to meet your school's waiver requirements, which may include being fully-compliant with all provisions of the ACA. See "What should I know before Waiving?"

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans
- Out-of-State HMOs or EPOs
- Plans from insurance companies not located within the United States
- Prescription discount plans

Q How do I waive health insurance coverage?

A 1. Go to www.gallagherstudent.com/cuc.Pitzer and log in.
2. Click the "WAIVE" button.
3. Follow the instructions to complete the form.

Q Will you audit or verify my waiver request?

A Yes, we will audit or verify your waiver request. This is to make sure your insurance plan will cover you when you're at school. Here's how our waiver review process works:

- We check the insurance company information you entered on your form to make sure it's accurate and that your coverage is active.
- We verify most waiver requests within 1-2 business days.
- Once we verify your coverage, we'll email you at the address you provided on your form to let you know if your waiver request was approved or denied. If we deny your request, we'll tell you why. We'll also guide you should you wish to revise and resubmit your form and supporting documentation.

Q Can I edit or rescind my form after I've submitted it?

A Yes, only if it's before your waiver/enrollment deadline of 9/3/2021.
1. Go to www.gallagherstudent.com/cuc.Pitzer and log in.

2. Click on EDIT WAIVER or 'Click here to rescind your waiver'
3. Update the form as needed and submit.

After the waiver/enrollment deadline, forms cannot be edited. Please contact Customer Service if you have any issues.

You may not edit your form after 9/3/2021.

Q If I waive, but then lose my coverage, can I enroll in SHIP?

- A. If you waive SHIP and then lose coverage under that plan (called a qualifying event), you may submit a Petition to Add request. The form can be found on your school's page at www.gallagerstudent.com. Make sure you read the form carefully as it contains very specific information on the Petition to Add process. Qualifying events include:
- Reaching the age limit of another health insurance plan
 - Loss of health insurance through marriage or divorce
 - Involuntary loss of coverage from another health insurance plan

Q May I use one of my state's health insurance plans to waive my SHIP?

- A. If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a higher deductible and copayments and lower coinsurance than that of your SHIP premium. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at the provider network to be sure that you'll have In-Network providers near your campus.

About My Benefits

Q What do my benefits include?

- A. Your SHIP is fully compliant with the ACA and all other federal and state mandates. It pays for a wide range of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other Injury.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations and most immunizations.

It pays for 80% of your medical fees when you use In-Network providers. This is the advantage to using In-Network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. You will also be responsible for paying any deductibles and applicable office visit and prescription drug copayments.

- It has a \$500 per Insured, per policy year deductible for In-Network services
- It has a \$20 copayment for office visits
- Prescription drugs are covered for a 30-day supply after:
 - a \$20 copay for a generic
 - a \$40 copay for a preferred brand name
 - a \$60 copay for a non-preferred brand name

Note: in some cases, prescription drugs may have a supply or quantity limit or require your doctor to get a Prior Authorization before you can pick-up your prescription. You can see review your plans' pharmacy list or formulary by visiting your school's page at www.gallagherstudent.com/cuc.Pitzer.

Q How can I get more information about my plan?

A Go to: www.gallagherstudent.com/cuc.Pitzer.

Q Do I need a referral from my school's Health Services to see an off-campus health provider?

A Yes, A Student Health Services (SHS) referral is required for non-emergency care within a 25-mile radius from campus, unless SHS is closed. The Preferred care deductible is waived for services performed at the Student health Center and for Preferred Care referred by the student health center. To see how referrals works and exceptions to the referral process, check out your SHIP brochure.

Q How much does my student health insurance cost?

A See chart below:

	New Annual (08/01/2021- 07/31/2022)	Returning Annual (08/30/2021- 07/31/2022)	Spring (01/04/2022- 07/31/2022)

Q How do I find a pharmacy?

A Go to www.gallagherstudent.com/cuc.Pitzer and click on "Pharmacy Program".

Q Does my SHIP plan include dental and/or vision insurance?

A If you're 18 or younger, SHIP provides preventive dental and vision benefits as required by the Affordable Care Act. The same is true for your eligible and enrolled dependents. Refer to your SHP brochure or certificate of coverage for details.

Q Am I still covered if I live off campus? While traveling? When studying abroad?

A Yes, your plan covers you wherever you are. As long as you're enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact Oncall International before making arrangements on your own. Otherwise these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Q Am I still covered after I graduate?

- A. You will be covered under your SHIP until the end of the policy period for which you are eligible to enroll in the SHIP and have paid your premium. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.

Q How does the ACA affect my SHIP?

- A. Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

Q What other services available to me through my SHIP?

- A. The following services are included and complement your SHIP program:
- Basix Dental Savings - an exclusive network of providers provides discounts on dental services from routine care to major dental work and can save you 20% to 50% off the cost of dental care.
 - EyeMed Vision - through this program you can receive discounted services for eye exams, glasses or contact lenses at participating EyeMed providers. You can use your EyeMed discounts as often as you like.
 - SilverCloud - an online behavioral health platform that provides behavioral health care and support for enrolled students. The platform delivers clinically proven, evidenced-based content, programs and support for depression, anxiety, stress, resilience and sleep programs, anytime, anywhere.
