Getting Started

How do I login to enroll or waive (opt out) of SHIP?

1. Go to www.gallagherstudent.com/cuc.Scripps or use the QR code below.

2. Follow the login instructions.
3. View "Account Details" found on the lower left side of landing page.

How do I enroll my dependents?

1. Go to www.gallagherstudent.com/cuc.Scripps or use the QR code above.
2. Follow the login instructions.
3. Click "Enroll".
4. Follow the instructions to complete the form to enter and enroll your "Dependent Spouse/Partner" and/or "Dependent Children".

You must purchase dependent insurance for the same coverage period as your own coverage; it can't be for a longer or shorter period than your own. For example, if you enroll for fall coverage, your dependents need to be enrolled for fall coverage; you wouldn't be able to enroll them for annual coverage. If you enroll for fall coverage and do not enroll your dependents at that time, you cannot enroll your dependents unless a qualifying event occurs.

NOTE: If enrolling a dependent for the first time in SHIP, documentation needs to be uploaded at the time of submission. For example a marriage certificate for Dependent Spouse or Birth Certificate for Dependent Child.

Can I enroll my dependents outside of the open enrollment period?

You can only add eligible dependent(s) outside of the enrollment period if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

In such cases, you must submit a Dependent Petition to Add form with supporting documentation and payment to Gallagher Student Health & Special Risk within 31 days of the qualifying event. The form can be found on your school's page at www.gallagherstudent.com/cuc.Scripps. If approved, coverage for your dependents will start on

the date of the qualifying event. Your premium will be pro-rated. Requests received after 31 days will not be processed.

Note: Once your dependent is enrolled, you can't terminate dependent coverage unless you lose your Student Health Insurance eligibility.

Waiving SHIP Coverage

To be eligible to waive your SHIP, you must be currently enrolled in a health insurance plan that meets the requirements set forth in CA AB 594.

AB 594 requires institutions of higher education to grant a waiver from student health insurance coverage when a student demonstrates they have other qualifying health coverage.

A waiver may only be approved during enrollment if the student has **Minimum Essential Coverage (MEC)** that meets the requirements of the **Minimum Essential Coverage Individual Mandate (Section 100705)**.

Schools and insurers are prohibited from charging any fee or premium to a student when such a waiver is granted.

2. Follow the login instructions.
3. Click on the "Waive" button under "Plan Summary."
4. You will need your health insurance information.

Note: Your insurance information is required to complete the waiver form; you do not need to upload documents at the time of initial submission. You will receive an email notification if additional documents are needed.

If I waive, but then lose my coverage, can I enroll in SHIP or enroll my dependents if they lose coverage?

If you waive SHIP and then lose coverage, you can enroll in the plan. Losing coverage is categorized as a Qualifying Life Event. Other Qualifying Life Events include:

- Reaching the age limit of another health insurance plan.
- Involuntary loss of coverage from another health insurance plan.

You can only add eligible dependent(s) outside of the enrollment period if one of these qualifying events occurs:

- You get married
- You have a child
- You get divorced
- Your dependent enters the country for the first time
- Your dependent loses coverage under another insurance plan

2. Follow the login instructions.
3. Click on "Enroll-Qualifying Life Event."
4. Complete the online form and upload the required supporting document, such as the loss of coverage letter from your prior health insurance company showing your name and the last day of coverage.

Note: Read the form carefully as it contains very specific information on the Qualifying Life Event process.

Once enrolled, can I cancel? Get a refund?

A student may only request termination of coverage during the policy year for the following reasons:

- The student **graduates**,
- Takes an approved **leave of absence**, or
- Is **no longer enrolled** at the institution. When a qualifying termination occurs:
 - The student is responsible for premiums **only through the termination date**
 - If premium was paid in full for the term, the student must receive a **pro rata refund** for any period they are not covered
 - **Claims experience cannot be considered** when determining the refund amount

The Named Insured must request termination from the Policyholder at least 30 days before the effective date of the termination. The Policyholder shall terminate coverage during the same calendar month as the request, if feasible, but no later than the last day of the calendar month in which the 30-day period ends. The Named Insured is only responsible for premium through the date of termination. If the Named Insured has paid premium for the full Policy Year, they will receive a pro-rata refund for any time they are not enrolled under the plan.

To Request Termination of Coverage:

1. Visit www.gallagherstudent.com/cuc.Scripps or scan the QR code above.
2. In the "Account Detail" tile under "Plan Summary," click the "**Termination of Coverage**" link.
3. Complete the termination form and select the appropriate termination reason from the list.
4. Submit the form.

If your request is approved, your coverage will terminate at the end of the month during which your request was received. Also, the prorated premium refund will be credited to your student account at the end of month.

How do I find out more about my benefits?

Plan benefit information and costs are available here: [My School | Aetna Student Health](#)

Have changes been made to this year's plan?

No changes were made to the plan for the 2026–2027 Policy Year.

Do I need a referral from my school's Health Services to see an off-campus health provider?

Yes, you need a referral before you see an off-campus provider. Without one, your health benefits could be denied or reduced. To see how referrals works and any exceptions to the referral process, review your SHIP brochure.

Am I still covered if I live off campus? While traveling? When studying abroad?

Yes, your plan covers you wherever you are. As long as you are enrolled in SHIP and paid the premium, you'll be covered. Your plan also provides you with 24 hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or

repatriation of remains. It's important to contact **Oncall International** (1-866-525-1956) before making arrangements on your own. Otherwise these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address and school name on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Am I still covered after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled in SHIP and have paid your premium. If you enrolled and paid for the fall semester and graduate in December, you will be covered until the end of the fall semester coverage period. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. You won't be able to continue your coverage after your policy terminates.
