#### Who is eligible?

The following students are eligible for enrollment in the plan:

- All domestic undergraduate students who pay registration fees and are matriculating toward a degree through Scripps College.
- All international undergraduate students (this includes non-student exchange visitors such as visiting faculty, scholars, and researchers) with a current passport or student visa (F-1, J-1, or M-1 visa) temporarily located outside the home country who have not been granted permanent residency status while engaged in full-time educational activities through Scripps College.

All continuing and newly matriculated students are required to have health insurance coverage. You will be automatically enrolled in SHIP, unless proof of comparable coverage is provided, and a waiver is submitted by the Waiver Deadline Date. If you have other health insurance, such as coverage as a dependent under your parent's or spouse's insurance plan and you do not wish to enroll in SHIP, you may submit a waiver application (domestic students only). You must remain enrolled in school for at least the first 31 days from their effective date of coverage, except in the case of medical withdrawal (as verified and approved by the school) to maintain eligibility.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the enrollment requirement. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

#### **Enrollment**

All domestic undergraduate students — who are required to have health insurance but who are allowed to waive with comparable coverage — who have not waived coverage by the Waiver Deadline Date will be automatically enrolled in the plan. All international undergraduate students will be automatically enrolled in the plan and no waiver will be allowed.

If you withdraw from school within the first **31 days** of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After **31 days**, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

**Exception**: A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, and any covered dependents, upon written request received by Aetna within 90 days of withdrawal from school.

#### **Dependent Coverage**

#### Eligibility

Covered students may also enroll their lawful spouse, domestic partner, and their dependent children under the age of 26.

Eligible Dependents must be enrolled on the date the student enrolls or within 31 days of birth, adoption, marriage, arrival in the U.S., or termination of other coverage (proof of date may be requested). Students who wish to enroll their eligible Dependents must submit a completed enrollment form (available online on your school webpage at <a href="https://www.gallagherstudent.com/cuc.Scripps">https://www.gallagherstudent.com/cuc.Scripps</a>), with proper premium payment, by the Deadline Date listed. Newly acquired Dependents (spouse and/or children) are not subject to the Enrollment Deadline Dates. However, enrollment and full premium payment for all newly acquired Dependents (spouse and/or children) must be submitted within 31 days of the attainment of such Dependents. Otherwise, enrollment cannot be accepted after the Enrollment Deadline Dates listed.

For questions regarding enrollment, contact Gallagher Student Health at 833-882-3588.

#### **Medicare Eligibility Notice**

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

#### **Termination and Refunds**

1) Voluntary Withdrawal or Approved Leave of Absence

If you voluntarily withdraw from the College or are approved for a leave of absence, your coverage will remain in force through the end of the period for which you have paid for coverage and the premium amount will not be refunded unless:

- o you submit a written request for termination of the policy within 7 (seven) days of your leaving the College; and
- o you have made no claims against the policy within the policy effective date; and
- o your leave date is not later than 31 (thirty-one days) past the official first day of classes in a given semester.

Should these requirements be met, the policy amount will be refunded on a pro-rata basis.

#### 2) Separation from the College

Should you be involuntarily separated from the College at any time during the coverage period, you will be considered ineligible for coverage, your coverage will be terminated retroactively and any premiums collected will be refunded unless:

- o your separation is more than 31 days after the policy effective date; or
- o you have made a claim against the policy during the coverage period.

In the latter two instances, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.

#### 3) Service in Armed Forces

If you withdraw from classes to enter the armed forces of any country, coverage will terminate as of the effective date of such entry and a pro rata refund of premiums will be made.

#### Service area

Your plan generally pays for eligible health services only within a specific geographic area, called a service area. There are some exceptions, such as for emergency services, urgent care and transplants.

#### Precertification

You do not need to obtain pre-certification for any services. However, your provider is required to obtain pre-certification for certain Preferred Care services. Refer to the Precertification provisions in the Coverage section of the Certificate of Coverage for a complete description of the precertification programs including the types of services, treatments, procedures, visits or supplies that require precertification. No penalty will be applied to you for a Preferred Care service that was not pre-certified.

#### **Coordination of Benefits (COB)**

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

#### **Description of Benefits**

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to www.aetnastudenthealth.com.

This Plan will pay benefits in accordance with any applicable California Insurance Law(s).

#### Policy year deductible walver

The policy year deductible is waived for all of the following eligible health services:

In-Network Care for Preventive care and wellness, Pediatric Vision and Dental Care, Outpatient Prescription
Drugs, and services performed at the Student health Center and for services referred by the student health
center

| Maximum out-of-pocket limits |                          |                         |

#### Referral Requirements

A Student Health Services (SHS) referral is required for non-emergency care within a 25-mile radius from campus, unless SHS is closed. The Preferred care deductible is waived for services performed at the Student health Center and for Preferred Care referred by the student health center.

#### **Exceptions**

• Treatment is for an Emergency Medical Condition. A referral is required for follow-up care.

- Urgent Care
- Obstetric and Gynecological Treatment
- Pediatric Care
- Preventive/Routine Services (services considered preventive according to Health Care Reform and/or services rendered not to diagnose or treat an Accident or Sickness)
- Prescribed Medicine Expenses
- Mental and Nervous Disorders Expenses A referral is required for Outpatient Occupational, Physical and Speech Therapy)
- Substance Abuse Disorders Expense A referral is required for Outpatient Occupational, Physical and Speech Therapy)
- The Student Health Center is closed
- For medical care rendered at another facility when classes are not in session, such as for official school breaks and holidays
- Medical care received when the student is more than 25 miles from campus
- Medical care received when a student is no longer able to use the SHC due to a change in student status

Your covered dependents do not use the school health services for care so they don't need to get referrals.

#### Important note:

- As out-of-network providers do not have a contract with us the provider may not accept payment of your cost share, (copayment/coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on the back of your ID card, and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill.
- A separate emergency room copayment/coinsurance will apply for each visit to an emergency room. If you
  are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room
  copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply.
- Covered benefits that are applied to the emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered benefits under the plan cannot be applied to the I emergency room copayment/coinsurance.
- Separate copayment/coinsurance amounts may apply for certain services given to you in the emergency room that are not part of the emergency room benefit. These copayment/coinsurance amounts may be different
- Services given to you in the emergency room that are not part of the emergency room benefit may be subject to copayment/coinsurance amounts that are different from the emergency room copayment/coinsurance amounts.

#### Infertility services exclusions

The following are not covered under the **infertility** services benefit except as described as an eligible health service for fertility preservation:

- All infertility services associated with or in support of an ovulation induction cycle while on medication to stimulate the ovaries. This includes, but is not limited to, imaging, laboratory services, and professional services.
- Intrauterine (IUI)/intracervical insemination (ICI) services.
- Infertility medication. [See the *Eligible health services and exclusions-Outpatient prescription drugs* section for information on coverage of infertility prescription drugs
- All charges associated with or in support of surrogacy arrangements for you or the surrogate. A surrogate is a female carrying her own genetically related child with the intention of the child being raised by someone else, including the biological father.
- Home ovulation prediction kits or home pregnancy tests.
- The purchase of donor embryos, donor eggs or donor sperm.
- Obtaining sperm from a person not covered under this plan.
- Infertility treatment when a successful pregnancy could have been obtained through less costly treatment.
- Infertility treatment when either partner has had voluntary sterilization surgery, with or without surgical reversal, regardless of post reversal results. This includes tubal ligation, hysterectomy and vasectomy only if obtained as a form of voluntary sterilization.
- Infertility treatment when infertility is due to a natural physiologic process such as age-related ovarian insufficiency (e.g., perimenopause, menopause) as measured by an unmedicated FSH level at or above 19 on cycle day two or three of your menstrual period [or other abnormal testing results as outlined in Aetna's infertility clinical policy

#### Contraceptive important note:

The prescription drug cost share will not apply to contraceptive methods when obtained at a network pharmacy. This means they will be paid at 100%. This includes over-the-counter (OTC) contraceptive prescription drugs and devices for each of the methods identified by the FDA. If a prescription drug is not available or inadvisable by your provider, the therapeutic equivalent prescription drug for that method will be paid at 100%.

The prescription drug cost share will apply to prescription drugs that have a generic equivalent or therapeutic equivalent obtained at a network pharmacy unless you receive a medical exception. A therapeutic equivalent is a group of drugs or medications that have a similar or identical mode of action or are used for the treatment of the same or similar disease or injury.

You can fill up to a 12-month supply at one time.
