VISION CARE SUBSCRIPTION DISCOUNT PLAN DISCLAIMER [DISCOUNT ONLY - NOT AN INSURANCE PLAN] - This program provides wholesale pricing or negotiated discounts on behalf of members on certain vision services and products through participating vision care providers and the XP Health Marketplace. The range of the discounts may vary depending on the product and/or clinical provider. XP Health works with organizations and employers who sponsor access to discounted services or products for program members. XP Health does not pay or reimburse participating vision care providers for the cost of vision care services or products purchased by the program member. Program members may be required to pay for the cost of some vision care services or products received as detailed in the subscription plan purchased by your sponsor. You may file a complaint by contacting customer care. This program is administered by XP Health, Inc., 969 Industrial Rd, Suite A, San Carlos, CA 94070, 1-888-974-3020, <https://www.xphealth.co>.

What You Need

Your smartphone, tablet, or computer

No app needed! Take the test right from your device.

10 feet of space

Back it up! Stand around 10 feet from your screen so we can accurately measure your vision.

Your contacts or glasses

Choose to check your vision with or without wearing your correction.

Set Up Your Computer

Move your computer to the edge of your table

Make sure you are **wearing your glasses** for the duration of the test. Do not wear tinted lenses or sunglasses

Get your results reviewed by an optometrist and receive a confirmation **within 24 hours.**

Your vision test results

✓ Your prescription was renewed. Your new prescription has been uploaded to your dashboard.

Hi Dan,

Your new prescription is now available on your XP Health dashboard.

Keep in mind, your vision test wasn't a comprehensive eye exam. We recommend an in-person, comprehensive eye exam every two years. The health of your eyes is important!
